

The Wine Chapter  
Weddings 2018

Congratulations on your upcoming wedding! We understand what an exciting but stressful time this is for you both... and we're here to help!

Over the years, we have worked at many weddings, delivering delicious drinks and excellent customer service. We offer a range of services for weddings, which are personalised to match your theme and budget. We aim to make your wedding a day you will never forget!

The glass is partially filled with bubbly liquid. The background is softly blurred, showing a table setting with a white tablecloth and some greenery.

# *Wedding Services*

No two weddings are the same, which is why we create a bespoke service for your special day.

We offer bar hire, welcome drinks, table wine, toast drinks or just drinks. You choose which services & which drinks you'd like. That way, you can enjoy the drinks that you and your friends & family love on your big day!

We provide staff, glassware, bar gear and clean up, and will work with your venue & caterers directly so that your day runs smoothly.

## Bar Flair

Our stylish, wooden bars are a great addition to any wedding. They come with stock, glassware and staff and we will work with you to create a bespoke bar menu. This can be operated as an open bar, a cash (or card) bar, or you can run a tab. We don't charge for bar hire, we simply set a minimum spend for the event. There's also a complimentary bottle of fizz for the happy couple!

We'd recommend you to anyone! Cheers!"
