

# kid club zone @ HOME

## THIS Week...

This week we're talking about being creative because it's World Creativity and Innovation Week (15-21 April).

**TODAY'S BIBLE VERSES:** Colossians chapter 3, verse 23; Matthew chapter 5, verses 15-16, 1 Peter chapter 4, verse 10.

**KEY WORDS:** Creativity, innovation and using the talents God has given us.

**BEFORE today's lesson:**

- Make sure you have all the materials you need for the 'Welcome Zone' and 'Fun Zone' activities.
- Gather together all the required ingredients for 'Grub Zone'.
- Have enough *Kidzone* magazines for every child!
- Print off the 'Beyond the Zone' card.

When preparing your program, consider each of the 'zones' and how they will best work in your context.

You may like to mix up the order in which you do the 'zones'. You will, however, need to remember the 'Welcome Zone' (obviously) needs to start the session, the 'Zone In' section needs to follow the 'God Zone', and the 'Beyond the Zone' happens at home. Have fun!

### GRUBZONE<sup>kz</sup>

Use time to get to know your group.

**MAKE:** Cheffy's omelette on page 7, which uses whatever food there is in your fridge. It's a great — and yummy — way to show how important it is not to waste food.

**CHAT** about some ideas we can use to be creative with leftovers.

### FUNZONE<sup>kz</sup>

Choose an activity, based on the theme, to do in smaller groups.

We've all got a bit of extra time on our hands at the moment, so let's get our hands busy with the awesome Oliver craft and fun Professor Pickle experiment on pages 10-11.

**READ** the message on page 11.

**READ** Lock on and the message on page 12. What are some of the things you are grateful for?

### GODZONE<sup>kz</sup>

**READ** the feature on pages 8-9, which tells us about the amazing inventions by young people — including 11- and 12-year-olds — that have made the world a better place. Amazing and inspiring!

**CHAT** about how new ways of doing and thinking about things can change lives, for example Braille, which made reading and writing so much easier for blind people around the world. And television — can you imagine life without that?

**READ** the message on page 9 about how innovative Jesus was, and have a chat about how his teachings changed the world.

**READ** Sam on page 14.

**PRAY**, thanking God for Jesus and the amazing way he changed the world through his love for us (mention again about Easter and how Jesus died for us) and by how he has taught us to live.

 **READ** the story on pages 4-5.

 **CHAT** about the types of things CK, Cheffy and Oliver might have made out of the items they found around the tree house. It's a bit like that for us all at the moment, isn't it, now that we can't go out?

 **DRAW** your ideas of what they might have created.

 **READ** the message.

 **PRAY** together, thanking God that we all have talents.

 **THINK** of some things you can create that might make life better for someone you know — for instance, bake something, make a card, draw a picture, for your family, friends or neighbours.

 **GET** your family together and do the inventors quiz on page 3

 **THANK** God that we can be creative and innovative.

**Sign-up to KZ Club online and the leader's guide will be delivered to your inbox every week—amazing!**

Visit our website for more info (and heaps of fun),
