## FAQ'S

### ♥ How much is The LOVE Sign to hire?

Each quote is unique depending on what our client needs. To obtain a quote, please send us the date of your event, location and approximate hours of hire.

### ♥ Is there a minimum hire time?

No, there is no minimum hire time, but we do charge a minimum hire fee.

### ♥ Do you deliver and set up the sign?

Yes, a LOVE Sign staff member will deliver the sign to your venue, set it up and take it down after hire time. The staff member may stay with the sign for the duration of the hire.

### ♥ Can we pick up the sign and set it up ourselves?

No, due to safety reasons we cannot allow this.

### ♥ How long does it take to set up the sign?

It usually takes around 1 hour to set up, depending on location and how accessible we can be to the set up site.

### ♥ How far do you travel?

We are based in Sydney and will travel approximately within a 4 hour radius. We do charge a delivery fee, which will be added to your quote.

### ♥ Can the sign be moved?

A LOVE Sign staff member can move the sign if needed, but additional charges would apply.

### ♥ Can the sign be used indoors?

We recommend the sign be used for outdoor purposes due to its size. The sign sits on barracks, which we believe would take up too much space indoors.
