Five Days of Fun-Filled Activities!

In addition to these daily themes and special activities, campers will enjoy a wide range of crafts, sports and games, as well as free play inside the gym and outdoors in the yard!

Monday	Tuesday	Wednesday	Thursday	Friday
Creative Minds! Children will explore and express their imagination, producing works that will be appreciated primarily for their beauty and emotional powers.	PJ Day! Children will feel right at home as they wear their PJ's. They will have a great day playing with their friends and enjoying a movie and popcorn in the afternoon.	Cooking Day! The children will be encouraged and inspired to discover and experience something new in the kitchen. We will be making some savory recipes this day.	Scavenger Hunt! This hunt will be the most adventurous ever, as we explore the new school. Are you up for the challenge?	Sports Day! Our new gym gives us oh so many options!
