Approval of Minutes

The minutes from the February 28th meeting were read and approved. Polly motioned to approve; Sharon seconded.

Principle's Report

- Working on SBA testing schedule. Testing will be held over 7 days. PTSO will provide one snack a day for each student (478 x 7 days)
- Calendar has been updated to make up for snow days. Fridays will be full days and school will start 5 minutes earlier each day.
- The new roof for the kitchen and band room has been approved.
- Discussed how to get more participation for conferences.
- Requested extension of deadline for use of PTSO art funds.

Treasurer's Report

Sharon shared the financial report. We are still holding $2094.76 for the art department and $1000 for DC trip scholarships. With the Ixtapa fundraiser, our balance, including the held funds, is $12,899.83.

Old Business

- Ixtapa fundraiser was held on March 27th. This year's fundraiser was about as half as successful as last year. We believe this is due to having to move it from February (due to the storms), and other scheduling conflicts on Wednesdays. Science students were in attendance to show off their projects and a good time was had by all.
- The dinner provided by the PTSO for the teachers and staff during conferences was well received and appreciated.

New Business

- June Dance: Class color is green. Ordering sunglasses (free for the 8th graders). Will turn music requests in ahead of time. Heather is working on theme/decorations.
- Field trips will take place week of June 17th-21st. PTSO will open concessions the mornings of the field trips.
- Teacher Appreciation Week is May 6th -10th. PTSO is working on a theme and activities/goodies for each day.
