Cragmont PTA strives to include as many interested students as possible in our enrichment classes and are intended for students who cannot otherwise take an enrichment class.

Scholarships are subject to lottery if more requests are made than we have available. Students who do not receive scholarships this session will have priority over those requesting scholarships during the next session. Only one scholarship per child per term. Please do not request a scholarship if you are paying in full for other classes during the same session. You will be notified by email or phone if your child is enrolled in a requested class.

Please return this form to the PTA box in the office, not your child's teacher, or email ptaenrichment@cragmont.org.
