Body Massages

ELEMENTAL NATURE

A customized massage experience based on Aveda's Elemental Nature philosophy and your favorite Aveda aroma. Depending on your needs, a variety of massage techniques are utilized, including Swedish, deep tissue, and foot reflexology.

STRESS-FIX BODY MASSAGE

Proven to relieve feelings of stress, the Stress-Fix aroma features lavender, lavandin and clary sage and is incorporated throughout a body massage that is designed to calm and rejuvenate you with Swedish and deep tissue techniques, and foot reflexology.

DUAL EXFOLIATION TREATMENT

The Dual Exfoliation Treatment is Aveda's latest advancement in non-invasive, skin-renewing treatments. Using innovative techniques, this treatment combines Aveda's naturally derived mechanical and biochemical exfoliation methods into one powerful service that transforms and rejuvenates the skin through the process of dual exfoliation.

In a clinical study, the Dual Exfoliation Treatment achieved better results than a combined microdermabrasion/30% glycolic peel treatment in both immediate smoothness and radiance, plus

significantly better results in smoothness, radiance and skin tone one week later. Experience the rejuvenating power of plants and minerals to help skin to look and feel its best.
