## Welcome!

---

The Québec Seminary welcomes you to the Graduation Hall. This vast, heritage-rich room in Second Empire style is located within Université Laval's first building, whose construction commenced in 1854-1855.

Photo credit: Luc-Antoine Couturier

A majestic edifice in the heart of Old Quebec, the building is one of the most impressive legacies of the community of priests who form the Quebec Seminary, founded on March 26, 1663. As you walk along the alleys outside, you will quickly fall under the spell of a romantic architectural complex that took four centuries to complete.

This Handbook will answer most of your questions concerning your planned event in the Graduation Hall. Please contact us if you need any further information: one of our staff members will be glad to assist.

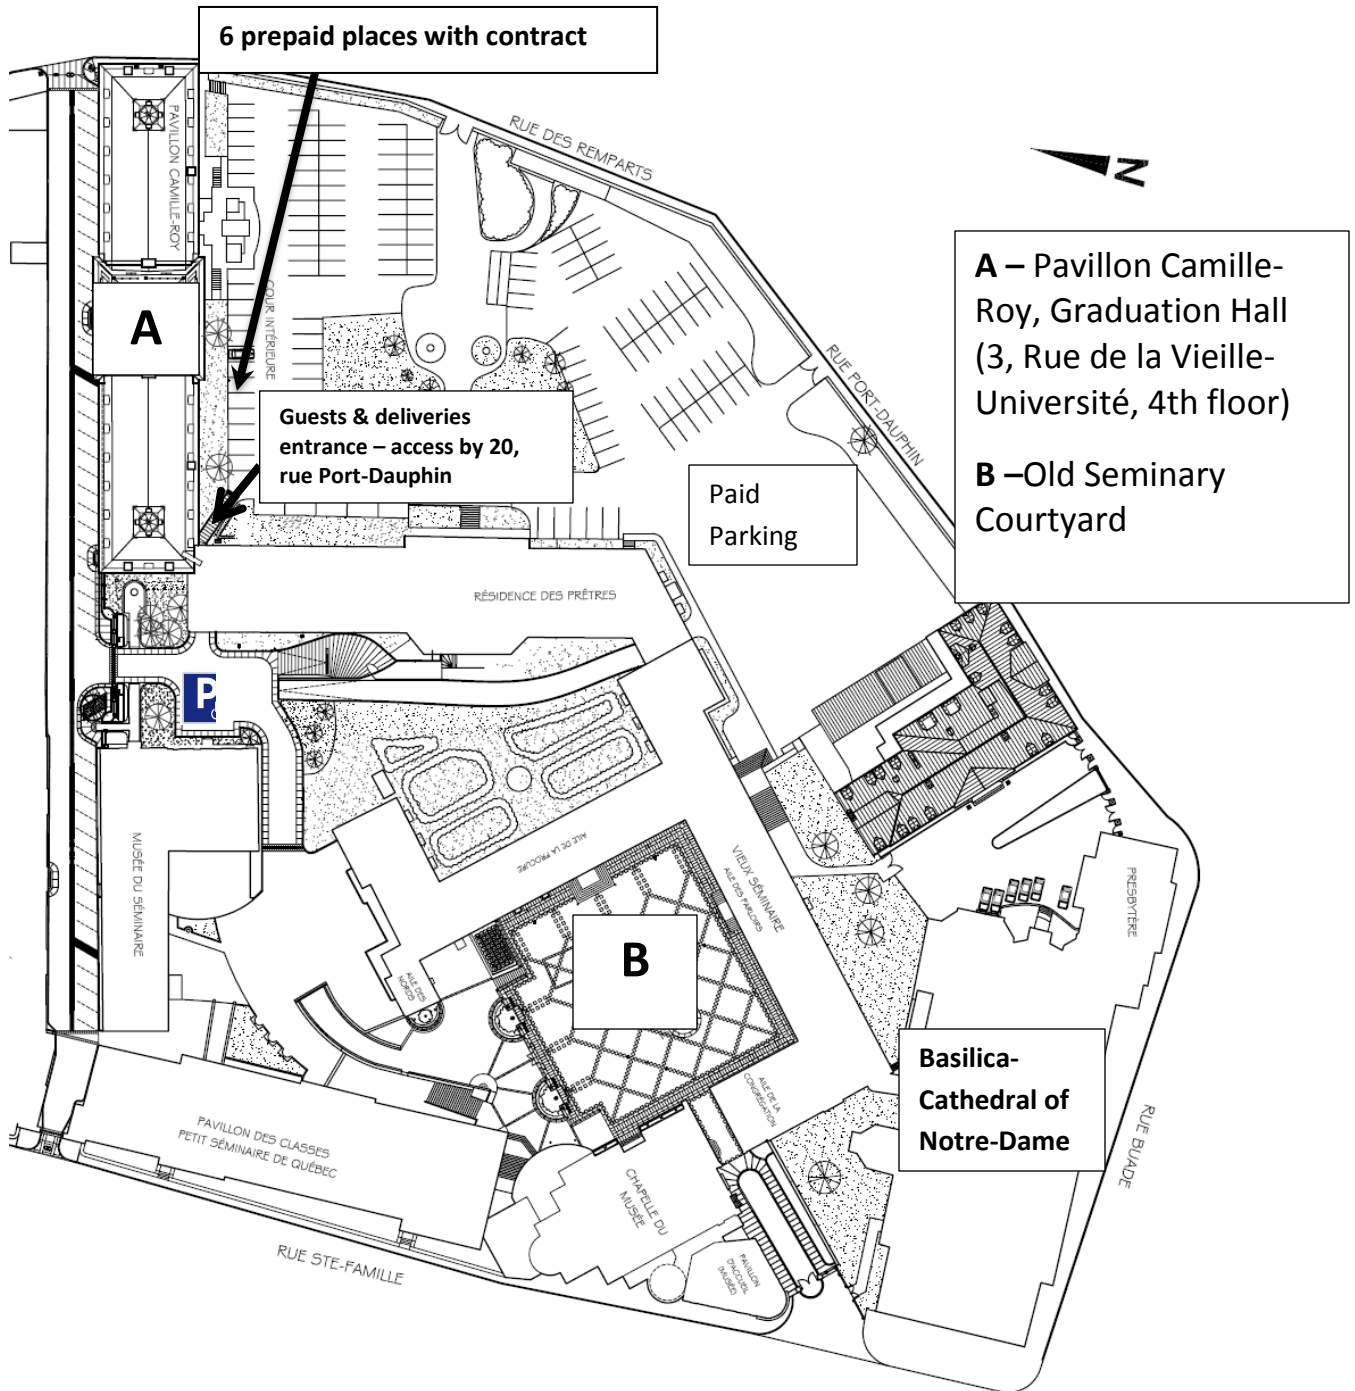

In this Handbook, the word “contract” refers to the contract of lease for one or more of the Graduation Hall spaces, that you, as the client, have signed or intend to sign with the Seminary of Quebec. Please note that the terms and conditions set out in this Handbook are deemed to form an integral part of the contract.

The Graduation Hall team is pleased to welcome you as special visitors to the magnificent heritage buildings of the Quebec Seminary.

## Access to the Graduation Hall

### Plan

## Address

The Graduation Hall of the Quebec Seminary is located in the Camille-Roy building at 20 rue Port-Dauphin, in the heart of the historic Old Quebec neighbourhood.

## Administration office

The administration office is housed in room 108 of the Camille-Roy building. The office is open from Monday to Friday, from 8:30 a.m. to 4:30 p.m. You can contact the office by calling 418-692-3981 and asking for the Graduation Hall team, or by writing to [promotions@seminairedequebec.ca](mailto:promotions@seminairedequebec.ca).

## Loading ramp (deliveries)

Deliveries are made at 20 rue Port-Dauphin, at the main entrance to the Camille-Roy building. A cemented loading ramp has been built for this purpose between two buildings, as indicated on the plan of page 4. Delivery times must be scheduled with the Graduation Hall coordinator, who will be on-site to direct you.

Once your vehicle has been unloaded or loaded, it must be moved away from the loading ramp and parked in one of the spaces indicated by the Graduation Hall coordinator.

## Guests

Guests enter the building using the door at 20 rue Port-Dauphin. They can then use the stairs or elevator to get to the fourth floor.

## Reduced mobility

The Graduation Hall is accessible to persons with reduced mobility, once the Graduation Hall coordinator has been notified.

## Parking and access

The Seminary has a large pay-for-use parking lot a few minutes' walk from the building. Opening times and parking rates vary depending on the time of year, the time of the event and the parking duration. Please ask the Graduation Hall coordinator for more information about availability and rates.

The site plan on page 4 shows all the buildings and facilities adjacent to the Graduation Hall.

## **Access to rooms and buildings**
