GSA Global Sourcing Awards Shortlist

The GSA are delighted to announce this year's shortlist for the GSA Global Sourcing Awards. Those selected have demonstrated excellence in strategic sourcing and will go forward to have a chance of winning a GSA Global Sourcing Award on the night of 2nd October 2018.

Taking place in Cape Town, South Africa, the GSA Global Sourcing Awards are part of the Global Sourcing Summit from 1st – 3rd October where the global sourcing elite will be meeting under one roof. Clearing the path to strategic sourcing success, this inaugural Summit & Awards will showcase the most ground-breaking case studies and influential speakers from around the world. We will be taking delegates on a tour of the global sourcing landscape, discussing and debating the very latest trends and predictions effecting organisations today.

Aimed to inform and educate procurement professionals/sourcing teams, the three-day conference will provide tangible insights into subject areas such as Customer Experience, Robotics Process Automation, Managing Outsourcing Relationships, Digital Transformation, Innovation and Exit Management.
