Glade Primary School we recognise that bullying of any kind is unacceptable at our school. We have a responsibility to respond promptly and effectively to issues of bullying. Bullies need to learn different ways of behaving.

At Glade Primary School we recognise that the victim should never feel it is their fault.

What is bullying?

Bullying is behaviour which deliberately makes another person feel uncomfortable, distressed or threatened.

Bullying is repeated over time.

Bullying makes those being bullied feel powerless to defend themselves.

Why are we against bullying?

Bullying hurts. No one deserves to be a victim of bullying.

- everyone has the right to feel welcome, secure and happy
- everyone has the right to be treated with respect.
- if bullying happens it will be dealt with quickly and effectively
- it is important to tell someone

What types of bullying are there?

- Emotional (being unfriendly, excluding, tormenting, threatening behaviour)
- Verbal (name calling, sarcasm, spreading rumours, teasing)
- Physical (pushing, kicking, hitting, punching or any use of violence)
- Extortion (demanding money/goods with threats)
- Cyber (all areas of internet, email and internet chat room misuse. Mobile threats by text messaging and calls. Misuse of associated technology ie: camera and video facilities including those on mobile phones.)
- Racist (racial taunts, graffiti, gestures)
- Sexual (unwanted physical contact, sexually abusive comments)
- Homophobic (because of, or focussing on the issue of sexuality)
- SEND (because of learning or physical disabilities)

What are the signs and symptoms of bullying?

A person may indicate by signs or behaviours that they are being bullied. Everyone should be aware of these possible signs and should investigate if the person:

- Is frightened of walking to or from school or changes route
- Doesn't want to go on the school / public bus
- Begs to be driven to school
- Changes their usual routine
- Is unwilling to go to school (school phobic)
- Begins to truant
- Becomes withdrawn, anxious or lacking in confidence
- Becomes aggressive, abusive, disruptive or unreasonable
- Starts stammering
- Threatens or attempts suicide
- Threatens or attempts self harm
- Threatens or attempts to run away
- Cries themselves to sleep at night or has nightmares
- Feels ill in the morning
- Performance in school work begins to drop
- Comes home with clothes torn, property damaged or 'missing'
- Asks for money or starts stealing money
- Has dinner or other monies continually 'lost'
- Has unexplained cuts or bruises
- Comes home 'starving'
- Bullying others
- Changes in eating habits

- Is frightened to say what is wrong
- Afraid to use the internet or mobile phone
- Nervous or jumpy when a cyber message is received
- Gives improbable excuses for their behaviour.

What causes Bullying?

People bully for different reasons.

The reasons could be:

- to feel powerful
- jealousy
- to feel good about themselves
- to be in control
- because they want something (attention, possession or friends)
- to look good in front of other people
- to feel popular
- because of peer pressure
- to be big/clever
- for fun
- because they are being bullied themselves
- because they see and pick on an easy target (small, won't tell anyone, lonely or different in some way)

How can we prevent Bullying?

At Glade Primary School we have a clear understanding that bullying, in any form, is not acceptable. This can be done by:

- Developing an effective anti-bullying policy and practice. The school will then become a safer and happier environment, with consequent improvements in attitudes, behaviour, and relationships and with a positive impact on learning and achievement.
- Regular praise of positive and supportive behaviour by all staff.
- Work in school which develops empathy and emotional intelligence (SEAL/JIGSAW).
- Any incidents treated seriously and dealt with immediately.
- Programme of work carried out in school during National Anti - bullying week and at various times throughout the academic year.

Advice to Parents

As the parent of a child whom you suspect is being bullied-

1. Report bullying incidents to the class teacher
2. In cases of serious bullying, the incidents will be recorded by staff and the Headteacher notified. A bully log may be set up at this stage.
3. In serious cases parents should be informed and will be asked to come in to a meeting to discuss the problem.
4. If necessary and appropriate, police will be consulted
5. The bullying behaviour or threats of bullying must be investigated and the bullying stopped quickly.
6. An attempt will be made to help the bully (bullies) change their behaviour.

Do Not:

1. Attempt to sort the problem out yourself by speaking to the child whom you think may be the bully or by speaking to their parents.
2. Encourage your child to be 'a bully' back.

Both of these will only make the problem much harder to solve.

Recording of Bullying incidents

Confirmed cases of bullying must be recorded following school procedures, as with any case of Child protection. CPOMS will be introduced in September 2018 as an electronic means of recording. During a period of transition we will maintain the current recording systems. In the case of racist bullying, this must be reported to the Headteacher and recorded in the relevant racist incidence book. All incidents of bullying will be discussed with all relevant staff and parents of the children involved, in order that everyone can be vigilant and that bullying may be prevented from happening in the future. Incidents of bullying will be discussed with the Governing Body.

**Our school will respond promptly and effectively to reported incidents of bullying.
