All this is linked through Glade Primary School's vision for P.E:

"P.E provides opportunities for pupils to be creative, competitive and to face up to different challenges as individuals, in groups and in teams. It promotes positive attitudes towards active and healthy lifestyles."

Glade Primary school's physical education culture promotes a long term healthy lifestyle that is enjoyable and fulfilling. Our children are inspired to engage in physical activity, raise their attainment, extend their potential and develop a lifelong active lifestyle.

By placing PE and sport at the heart of a broad and balanced curriculum we aim to raise attendance and narrow the achievement gap. Our PE and sport aspires to build self-esteem, teamwork and leadership skills enabling each child to be the best they can be by:
