

Impact of Sports Funding 2017/18

Key Objectives:

To increase participation in Sports and PE and develop healthy lifestyles by:

- developing confidence in staff with the teaching of PE across the school.
- developing use of coaches to provide specialist instruction to student, allowing them to experience a wider range of sports.
- increasing number of extra-curricular sporting activities available to children.
- continuing to update P.E equipment and apparatus to ensure that staff have all they need to teach outstanding lessons.
- continuing to develop intra and inter sport competition across the school, particularly to link in with the whole school house system.
- continuing to promote competitive sport outside of school.
- promoting the importance of a healthy lifestyle for all pupils.
- supporting specific groups through the use of sport to increase self-esteem and positive image.

<u>Task</u>	<u>Impact</u>
Arranged training and support for staff who showed need in particular areas of PE.	Staff more confident in their ability to teach particular areas of P.E which in turn leads to better outcomes for pupils.
Made available a number of extra-curricular opportunities to children, some of which were free of charge for autumn term (karate, gymnastics, dance, rounders, football, tennis, netball, cricket, dodgeball)	Children had opportunities to try different sports and develop their skills and knowledge in new areas, leading to increased fitness.
Developed use of coaches to lead/support teaching of sport and well-being in specific areas. (Year 3 – Karate, Year 4 – Netball, Year 5 and 2 – Funtrition, Year 6 and 1 – Basketball, Reception - Dance)	Children had the opportunity to try different sports and develop their skills and knowledge in new areas. Children developed their knowledge of keeping healthy. Teachers' skills developed in key areas through coaches' expertise.
Took part in a range of borough competitions.	Children have chance to develop skills in competitive atmosphere. Links with other schools developed. Children introduced to new sports.
Used part of funding to develop healthy lifestyle for all pupils by giving selected pupils (Pupil Premium) free membership to specific clubs in spring and summer term.	Target children given opportunity to take part in organised sport to develop skills and self-esteem.
Development of active playtimes through continuation of a Play Leader and purchase of range of playtime equipment to support structured play at lunchtimes.	Children more engaged at lunchtimes. Middays report better behaviour.
Introduced 'Well-being week' with a focus on mental health and included a greater variety of sports and links with local clubs.	Inter-school competition developed. Children given opportunity to develop teamwork skills. Parents and local sports clubs involved – community link. Children able to take part in new sports/a wider range of sports/activities. A healthy mental lifestyle promoted across the school.
Audited and developed upgrades to P.E equipment.	Children have access to wide range of equipment to develop skills.
