Mr. and Mrs. Donor  
ZXZ Drive  
Charleston, WV xxxxx

Dear Mr. and Mrs. Donor:

At CAMC, our vision is to provide cancer patients in our region access to comprehensive treatment in a multi-disciplinary single location that is close to home. Cancer patients turn to CAMC for help, looking for the most advanced treatments and technologies in outpatient care. They deserve to receive care in a setting that welcomes both patient and family, along with providing an environment of respect and dignity for the whole person.

As such, we thank you for your recent gift of \$10,000.00 to the Charleston Area Medical Center Foundation. The tax-deductible amount of your gift is \$10,000.00. Your gift will be applied toward the capital campaign for a new, stand alone cancer center. No goods or services were received in exchange for this gift. Therefore, this contribution is fully tax-deductible. Please retain this letter for your tax records. Your support of this worthy cause is greatly appreciated.

You have responded to this need by contributing financially to a shared vision for many people, many needs, one cause; a new multi-disciplinary, comprehensive, outpatient cancer center in our region.

Sincerely,

John Doe  
Development Officer

P.S.: If you are interested in receiving future updates on the new cancer center's progress and events please send an e-mail to [xyz@abc.org](mailto:xyz@abc.org) with "E-mail" as the subject line.

Dear \_\_\_\_\_:

Thank you for the generous gift of \$500.00 to the Charleston Area Medical Center Foundation's 2012 Gala. Your support means that the most vulnerable population in our community receives the quality health care they need. By providing this care we improve our community's health and vitality.

Proceeds from the Gala support the CAMC Women and Children's Hospital's Prevention First program, which provides care for underserved and high risk patients, which represent 70% of our patient population. Prevention First has created a positive and healing presence in West Virginia.

Your contribution was received on Tuesday, April 24, 2012 (check number #####). As a Ticket Sponsor, you received two tickets to the 2012 Gala, valued at \$103 each. The tax-deductible amount of your gift is \$294.00. Please retain this letter for your tax records.

Again, thank you for your support of the CAMC Foundation as we help CAMC touch people's lives every day.

Sincerely,

Jane Doe

Dear :

On behalf of the Chinese Hospital, I would like to express my heartfelt appreciation for your sponsorship and generous contribution of \$\_\_\_\_\_ to our 17<sup>th</sup> Annual Golf Tournament. With your repeated contributions over the years, you've demonstrated your deep commitment to our work and mission here at the hospital.

The 17<sup>th</sup> Annual Golf Tournament held on October 10 was a HUGE success! We had 290 golfers participated. Even though the weather was wet, it did not stop some of our golfers having fun and finishing the game. The golf tournament raised over \$650,000.00 in contributions! It was through everyone's concerted efforts that make this event so successful. All proceeds benefit the building of the new Chinese Hospital.

Chinese Hospital continues to progress in its campaign to support the biggest construction and renovation project in its 100-year history. The 160 million dollar campaign will facilitate the creation of a new replacement facility for the iconic but aging building at 845 Jackson Street in San Francisco's historic Chinatown. The new, expanded facility will allow Chinese Hospital to meet the community's evolving demand for culturally competent health care services long into the future. We are in the process of moving our staff out of the 1925 building in the middle of November; and ground breaking is scheduled to take place in April next year.

Chinese Hospital is a 501(c)(3) non profit organization with Tax ID#94-0382780. For federal income tax purposes, you can deduct as a charitable contribution the amount of your contribution less the value of the goods and services you have received. We estimate the fair market value of the goods and services to be \$400.00 per person.

Thanks again for your support and investment in the future of health care! We look forward to seeing you again at our Golf Tournament in 2012.

Sincerely yours,

Chair, Fund Raising Committee

P.S. Please visit [www.chinesehospital-sf.org](http://www.chinesehospital-sf.org) in the next few weeks for the event pictures.

Dear «Salutation»,

Thank you so much for sponsoring Pickin' for Preemies, a live acoustic music concert benefitting Cook Children's held on Labor Day, September 3, 2012 at Billy Bob's Texas.

Funds raised from Pickin' go to support our neonatal intensive care unit (NICU), Cook Children's Medical Center and children we care for in extraordinary ways. The new all-private room NICU includes 99 rooms with a total of 106 beds, making it the largest all-private room NICU in the nation. The unit is now 71,000 square feet, encompassing two floors of the north tower and includes several rooms for twins, two rooms for triplets and one room for quadruplets. Research has shown that babies in a single-room environment have better long-term outcomes and the parents have the opportunity to bond more with their infant.

We simply could not do it without you and your generosity. Thank you for supporting Pickin' for Preemies which, in turn, benefits Cook Children's Medical Center's NICU.

On behalf of all of us at Cook Children's, we thank you so much for your support. Together, we can improve the health of every child in our region. That's Our Promise.

Sincerely,

John Doe  
Vice President of Development  
Cook Children's Health Foundation

Dear «Salutation»:

Thank you for your support of the 5<sup>th</sup> Annual Neuroblastoma Walk. Last year's walk raised \$118,628.13 for Neuroblastoma Research at Cook Children's. This year's goal is to raise \$150,000.

The proceeds from this year's event will assist the Neuroblastoma Program at Cook Children's with clinical research, program development, and infrastructure for MIBG therapy. Each year many patients throughout the North and West Texas area have traveled away from Texas to one of only a handful of MIBG treatment centers in the United States. **We are excited to announce that in the spring of 2012, the Neuroblastoma Program will receive additional national recognition with the opening of the MIBG treatment center which is the only one of its kind in Texas and the entire Southwest region.**

Through your generous gift we are able to offer children in our region fighting neuroblastoma access to this cutting edge technology.

On behalf of our entire Cook Children's family and the patients we serve, thank you for your shared commitment to our children.

Sincerely,

Jane Doe

Dear «Salutation»,

Imagine a children's hospital that is so beautiful, fun and inviting that patients and their families can get caught up in a moment and forget why they are there. Architecture so beautiful you feel as if you are in an enchanted castle. Colorful decor, flooring and furniture so cheery you can't help but feel as though you are in a play land. From the magnificent glass ceilings to the tiny hidden objects placed in the tiles on the floor of a main walkway, we have made our newest tower a wonderful environment with the help of donors like you.

As we open the doors this March to the Dodson Specialty Clinics and our state of the art Cancer Center, we find ourselves filled with an overwhelming sense of pride. This is not only for the collaborative work that we have done, but also an immense pride in knowing we live in a community where many, like you, have given a gift that allows children to come to a place where they can have a positive experience, no matter how sick they may be. For this we - and the families we serve - are incredibly grateful.

It is said, to be generous means giving something that is valuable to you without expectation of reward or return. However, the greatest blessing that comes with giving and making a difference in the lives of those around us, is in fact, that *giving feels good*. I hope you join us in feeling good about the work that is going on at Cook Children's Medical Center and in our community. We at Cook Children's thank you for your gift and for helping us keep our promise to improve the health of every child in our region through the prevention and treatment of illness, disease and injury.

Sincerely,

John Doe  
Vice President of Development

Dear «Salutation»,

Children are more than just little versions of adults. They have special needs and concerns, and when children are ill or injured they need a special hospital. We understand that a visit to the hospital is scary enough for an adult and at times can be even more so to a child. That's why we have designed the newest additions to the Cook Children's Medical Center campus with just one thing in mind...our patients and their families. The support you provide to Cook Children's has made this very important expansion possible, and for that we are very grateful.

We are extremely excited to share with you the next major addition of our expansion which was the May 15<sup>th</sup> opening of the new Child Life Zone located on the ground floor of the North Inpatient Tower. This state-of-the-art therapeutic play and educational environment for the children and families that receive care at Cook Children's exemplifies our patient focused care. Through education and play, child life specialists teach young patients about illness, treatment and surgery, plus provide support before, during and after procedures. The Zone is designed to support child life specialists in their efforts to help children understand and cope with their hospital experience.

As we continue with our current expansion we want to make certain you know that the Child Life Zone at Cook Children's is just one of the many ways your financial support has enabled us to provide world-class medical care in our own neighborhood. Your gracious act of philanthropy will make a difference in the lives of our patients and their families.  
WE THANK YOU!

Sincerely,

John Doe  
Vice President of Development

Dear Ms. Doe,

Thank you for your recent gift to New York-Presbyterian. Such generous support means a great deal here, both for the wonderful sentiments that prompted it and for the good it will do here at the Hospital.

Your gift renews your membership in the James Lenox Society. As you know, you will receive a number of exclusive invitations and communications throughout the year, designed to give you an insider's view of the Hospital and the changing face of medicine. And, of course, you will be recognized on the James Lenox Society plaque, on display in the lobby of the Milstein Hospital Building.

Often, the most appreciated benefit is "assistance from a Hospital Liaison with regards to arranging medical referrals." That means that you can call me, and I will help. If you need a referral to a specialist for yourself or a loved one, I am pleased to research the best physician for your specific needs. If you need help with other Hospital details or issues, I can refer you to the correct resource. I am happy to assist you with all of your Hospital needs, hopefully, making your experience easier and more pleasant, with less time spent searching for the right contact.

I am enclosing my business card. Please let me know if you need anything or if you will be in the area. I would love to stop by and thank you personally and let you know a bit more about what your generosity has helped us accomplish.

Warmly,

Arianne Andrusco

Dear Mr. and Mrs. Doe,

Welcome to the James Lenox Society! Your generous unrestricted support toward NewYork-Presbyterian/Columbia grants you membership in this special group of the Hospital's most loyal and visionary supporters.

As members of the Society, you can expect to enjoy a number of benefits, including recognition on the James Lenox Society plaque, located in the lobby of the Milstein Hospital Building. Over the coming months you will also receive special Lenox Society newsletters and other Hospital communications, designed to give you an insider's view of the Hospital and the changing face of medicine. Additionally, you can anticipate a number of exclusive invitations to events where you can hear from some of our most noted specialists, personally tour new and developing areas of the Hospital, and socialize with senior management and other visionary and generous supporters.

Dear NAME,

***Special Care for Special People***

Last year at this time Liesl, a 16 year old from Eureka, was admitted to Children's Hospital of Illinois after a week-long illness. Liesl was ultimately diagnosed with Crohn's disease, a chronic inflammatory disease of the intestines. After spending more than 60 days in the hospital during 2011, she is living a much happier, healthier life and looking forward to becoming a hospital volunteer when she turns 18.

On behalf of our entire Children's Hospital family, including young patients like Liesl, we'd like to say thank you for your partnership. Children are more than just little versions of adults. They have special needs and concerns, and when children are ill or injured they need a special hospital. We understand that a visit to the hospital is scary enough for an adult and is even more terrifying to a child. We have designed the Children's Hospital of Illinois with just one thing in mind...our patients... our *children*.

Your generous donation of \$**XX.XX** will aid us in continuing to give *special care for special people*. One hundred percent of this donation will stay in our community to support the many programs and services offered at Children's Hospital. It will help enhance our environment of family-centered care accompanied by the most medically advanced equipment and talented medical staff available.

Your gracious act of philanthropy will make a difference in the lives of our patients, their families and Children's Hospital caregivers who lovingly devote themselves to providing *special care to special people* every day. **THANK YOU!**

Dear :

Thank you for your gift of \$xxxx to Overlake Medical Center Foundation in support of the lifesaving work of Overlake Medical Center. Your generous donation has been designated to support the establishment of Overlake's new David and Shelley Hovind Heart & Vascular Center.

The Heart & Vascular Center will bring together Overlake's diagnostic and treatment services into one fully integrated facility, elevating what is already a world-class cardiac and vascular program to an even higher level of care. New opportunities for collaboration between physicians, seamless coordination of care, advanced technological capabilities, and welcoming surroundings will mark what will become the premier Heart & Vascular Center in the region.

Overlake is deeply committed to improving the health and vitality of the Eastside. Thanks to your generosity, Overlake will continue to thrive and provide exceptional quality and compassionate care for generations to come.

Warm regards,

Molly Stearns
