COLTON HILLS COMMUNITY SCHOOL

Learn, grow and achieve together

Our vision

Colton Hills is a school children want to go to and where people want to work. It is a thriving, international school renowned for its skilled workforce, rich diversity and a commitment to fairness and equality that ensures no child is left behind.

In order for this to happen:

COLTON HILLS COMMUNITY SCHOOL

Learn, grow and achieve together

Every student

- Develops a growth mind-set
- Has high aspirations for their future
- Believes in themselves and their abilities to succeed
- Achieves the qualifications and skills required to keep their aspirations alive

Every member of staff

- Has the opportunity to contribute to the school's growth and success
- Is empowered and developed to do their job well and with pride
- Receives acknowledgement for their efforts and recognition for their success
- Is able to share their aspirations and concerns to middle and senior leaders

Parents and the local community

- Know more about the school's work and its successes
- Understand and support the school's aims and ethos and speak positively about the school
- Are engaged in its work and use its facilities as a centre for learning and leisure
- Increasingly select Colton Hills as the School of first choice for their children

Our Mission

(In the words of our students)

- To work as a team. To be part of a family
- Students and staff proud of each other's uniqueness and differences, working together as one, encouraging each other to succeed and fulfil their aspirations
- Every student challenged to be the best that they can be - a school where you can make the impossible possible
- Where students feel happy, which means they feel safe, to grow and to learn
- To support young people develop a love of learning and a passion for education, teaching them also the value of courage and respect
- To create independent, hardworking and creative thinkers who respect themselves, their peers and achieve their full potential
- Respect, Trust and Enjoyment in all that we do

Our Priorities

- Know what outstanding learning looks like over time and how to secure rapid progress as opposed to good progress
- Strengthen the teaching of EAL and SEN students
- Strengthen our pastoral support to improve attitudes to learning across the school
- Raise standards of literacy, numeracy, scientific thinking, creativity, design, performance across the school
- Strengthen curricular links within and between the three faculties – LCH, STEM & EPEW
- Develop high-quality CPD programmes which engage and foster professional growth
- Implement effective academic mentoring during tutor and other times
- Enrich learning through trips, guest speakers, real-world audiences & extra-curricular clubs
- Connect with hard-to-reach families and hard-to-teach children so they benefit from the school's work
- Provide more opportunities for parents to engage with the life of the school and in activities that support them
