Pictures in the Body - an interactiv dialog between art and science

In cooperation with the 2nd international conference «Putting Systems and Complexity Sciences into Practice - Sharing the Experience», Billings, USA, 9. -10.11.2016

www.art-dialog.com
Bruno Kissling, medical doctor and artist
Esther Quarroz, artherapist and artist
Andreas Fahrni, fotographer
...proceeding through learning and adapting interaction... to unforeseeable emerging new structures...
...and new dimensions...
