### Athlete Categorisation Announcement May 2018

The Athlete Categorisation Panel of Judo Australia has recently conducted the latest round of Athlete Categorisation in line with [JA Athlete Categorisation Guidelines \(May 2018\)](#) published on the Judo Australia website.

The following Athlete Categorisations will apply from 1 July 2018 to 31 December 2018.

Please note that Judo Australia has introduced and applied the International category for the first time. This is to recognise those athletes that, in spite of not currently being categorised as part of the podium pathway, remain important features of Judo Australia's High Performance program as senior Australian representatives at the most recent World Championships. Please note that this category will be updated upon selection of the 2018 World Championship team.
