

2019 National Coaching Team

The National Coaching Team plays a critical role in delivering our high performance programs and achieving our performance goals. This coaching structure provides greater consistency and opportunity for the development of the coach/athlete relationship across all age groups and benefits the overall performance of our athletes.

Following completion of the assessment process, Judo Australia is excited to announce our 2019 National Coaching Team as follows:

<u>Cadets</u>	<u>Juniors</u>	<u>Seniors</u>
Moe Sakio (ACT)	Kylie Koenig (NSW)	Maria Pekli (VIC)
Catia Maia (WA)	Joe Costanzo (NSW)	Daniel Kelly (VIC)
Ben Donegan (VIC)	Gavin Kelly (NSW)	Gavin Kelly (NSW)

Technical Director Maria Pekli will continue to oversee all programs and work with the relevant age group coaches on specific programs.

Current National Coaching Team member Alex Ludeke has recently taken on a full-time role with another National Team, meaning he is unable to continue in a role with our Australian team programs in 2019. Judo Australia wishes Alex all the best in his new role and thanks him for the contribution he has made to our programs over recent years.
