

JA Randori Camp - 17 – 20 February 2019

Similarly, to previous years, JA is holding a three day training camp after the 2019 ACT International Open. The general purpose of the camp is to provide an opportunity for cadet, junior and senior athletes to come together and have a high intensity randori camp that will continue preparing them for the year ahead. This is similar to the concept used around the World for most International Competitions.

All JA categorised athletes are expected to attend this training camp unless they are based overseas as evidenced in their Individual Performance Plan. Accommodation and board will be paid by the JA for the categorised athletes from the Sunday night, 17 February to Wednesday, 20 February 2019.

We are also inviting athletes to express their interest to be part of this camp program on a 'pay your way basis' if they are at the appropriate level to be able to cope with the intensity of the camp. We have a total of 70 places secured for this camp. The cost to athletes not on a National Program is \$290 including accommodation and full board at the AIS. We already have a Japanese team of 20 male athletes booked in for this camp from Hitotsubashi University.

The HP team of JA will lead this camp in conjunction with the AIS Combat Centre team.

TRAVEL ARRANGEMENTS

All selected athletes are required to extend their travel bookings made for the ACT Open until Wednesday late afternoon/evening. Athletes are responsible for funding and organising their flights. The training camp will finish with lunch on Wednesday, 20 February. Full attendance of the camp is required for all participants.
