10am to 5pm approx.**

### **Fanadoo**

Twiddle away - it's fabric play!  
From tucked fans to a roly foldy flower, this is a new class from the fiddley fingers of the Calico Queen. Manipulate and manoeuvre a simple square into different tactile forms. Make a table runner or create three blocks ideal for quilts, bags and wallhangings.

Suitable for all abilities.

These designs can be constructed from a variety of materials. If desired, pre-wash all materials but use a spray starch when pressing to restore 'body'. It is appreciated that students prefer to complete or almost complete their class sample and each class is carefully designed so this should be possible.

All classes are suitable for every level of sewing ability.

**Thursday 7<sup>th</sup> February 2019 - 10am to 5pm approx.**  
**3 D Hexagonal Happenings**

From triangles, diamonds and hexagons create a multitude of 3D and diametrically different designs - play with the pieces.

Conquer those tricky Y seams or cheat at construction - it's Jennie's magical methods with material.

### **About Jennie**

Jennie began patchwork in 1989 and by 1994 she was firmly hooked and completed a teaching diploma and became involved in the C & G programme. Within the syllabus one of the required subjects was texture. As there was little around, Jennie began to create her own.

Jennie now has seven books and has taught extensively all over the world and also, of course, she is co-presenter for Justhands-on.tv and also on Create and Craft TV.

ALL Workshops £50 per day  
Price includes morning coffee & biscuits on arrival, buffet lunch and afternoon tea & cake and not forgetting Jennie's expert tuition.
