## EXCESSIVE HEAT | 90'S | HOT AND DRY

AIR QUALITY	FIRE WEATHER	RIVER FLOODING	WIND GUSTS	EXCESSIVE HEAT
GOOD	NONE	NONE	8-10 MPH	90's

**SUMMARY:** **Excessive Heat Advisory** for Tuesday thru Thursday. Cooling centers advised for at risk populations.

Mon	Tue	Wed	Thu	Fri	Sat	Sun	Mon
78° 55°	82° 58°	91° 60°	84° 53°	74° 52°	77° 55°	77° 56°	78° 56°

**WEATHER:** **EXCESSIVE HEAT** - Temperatures are expected to climb into the lower to mid-80s on Tuesday then reach their warmest on Wednesday with highs in the upper 80s to lower 90s. This will elevate heat risk to a point where sensitive groups would be prone to health issues.

**Practice HEAT SAFETY Wherever You Are**

Heat related deaths are preventable. Protect yourself and others from the impacts of heat waves.

- Job Sites:** Stay hydrated and take breaks in the shade as often as possible.
- Indoors:** Check up on the elderly, sick and those without AC.
- Vehicles:** Never leave kids or pets unattended - LOOK before you LOCK
- Outdoors:** Limit strenuous outdoor activities, find shade, and stay hydrated.

[weather.gov/heat](http://weather.gov/heat)

Wednesday will see a "moderate heat risk" for people sensitive to heat-people who do not have an effective way to cool down or who are not adequately hydrated. A push of marine air on Thursday should help knock the high temps back down into the 70s for the end of the week.

**FIRE WEATHER FORECAST:** As of June 10<sup>th</sup> Western WA remains at little to no risk while Eastern WA close to Idaho has areas at Low Risk. No active fires at this time.

**EVENTS:**  
**THE FIRST TUKWILA PRIDE | FAMILY EVENT**  
Saturday, June 15 | 9:00am – 5:00pm  
12930 East Marginal Way South Tukwila, WA
