

SOUTHEASTERN COMMEMORATIVE BRICK ORDER

10 years ago, several dedicated community members worked hundreds of hours to raise money to build our own all-weather track. It is now time for that track to be resurfaced so that the school and community may continue to enjoy the usage of the facility.

You can help with this endeavor and have a permanent place in Southeastern history. For only \$60.00, you will be able to purchase a commemorative brick at the Southeastern Track Facility. You can celebrate your family's memories or milestones or honor an important person in your life. In addition to being a unique gift idea, each brick will incorporate your personal message, important dates, events or names of family members. Businesses or organizations can also have their names and messages permanently engraved and placed in a highly visible area used by the entire community. Bricks are 4" by 8"

Fill out this form and return it with a check payable to Southeastern Athletics to the high school office, or mail to Southeastern High School, 195 E. Jamestown Rd. P.O. Box Z, South Charleston, OH 45368

The deadline to order is **March 31, 2015**. Don't miss out on this unique opportunity.
