

WELCOME

Welcome to Bergsig Bistro, situated at the foot of
Bainskloof Pass!

You have taken the road less travelled and we hope it will “make all the difference”. Here, all patrons are treated like extended family. And we therefore invite you to sit back, relax and enjoy our home-made food and handcrafted wines. Bergsig Bistro offers fresh, rustic and honest food all made in house. We have a small kitchen and bake all our own breads and pastries. Please be patient as all this love takes a little longer.

If you are in a rush please select something from our deli.
