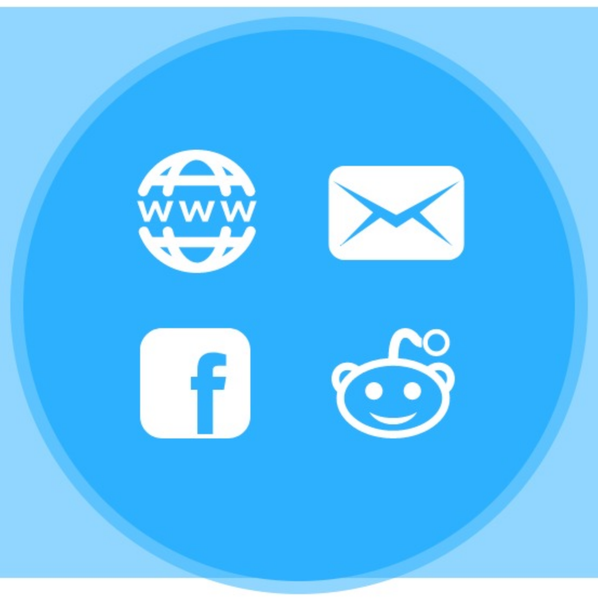
REALKETONES

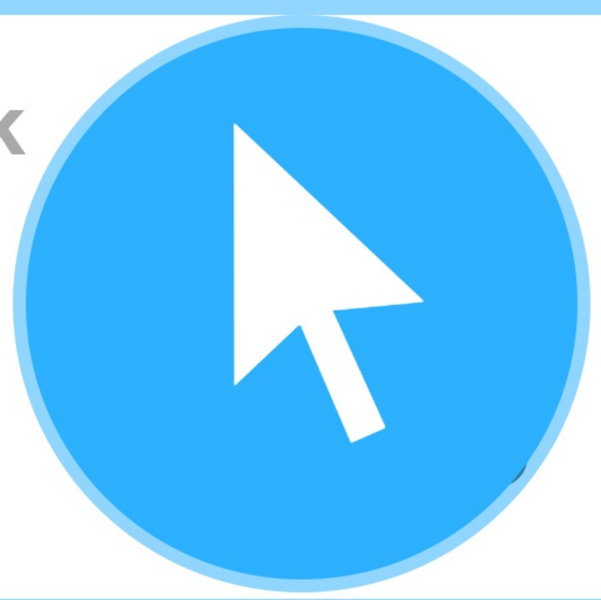
How the Affiliate Program Works



Step 1. Share Affiliate Links & Banners

Share your affiliate links and banners on your website, social media, email campaigns, or on forums.

Step 2. Customer Clicks on Your Banner or Link



A potential customer clicks on your link/banner and is taken directly to RealKetones.com website to purchase product.

The affiliate platform tracks the click through IP address and tags it as your referral.

Step 3. Customer Purchases Product

If your referred customer purchases the product within 90 days of clicking on your link, you receive a commission off the sale. You will continue to receive credit for repurchases made through same email address.

Another Tracking Option: DISCOUNT CODES

All Real Ketones Affiliates have the option to receive an exclusive 10% discount code, unique to you, for your audience

Discount Codes assigned to our will also track sales and register on your affiliate account.

**If you do not have your 10% discount code,
