

AUDITION FAQ

Shrek auditions are scheduled for November 1-2 (Saturday-Sunday). All students in grades 6-12 are welcome to audition! Students in grades 3-5 may audition by invitation. Students will need to enroll in the Musical Theatre Production Class in order to audition. The audition lasts 15 minutes and will consist of vocal and scene work that the student should prepare in advance. This class includes two productions during the Spring 2015 semester, including Shrek (April) and Annie Get Your Gun (June).

Shrek is a bright, zany, and energetic musical with a wide range of fun roles to explore. Whether a beginner or veteran performer, there is truly something for everyone. Please check spotlightoncenterstage.com or contact studio director Rebecca Lowe at rebecca@spotlightoncenterstage.com if you have any questions.

Before their audition, students are encouraged to read through the script to get a general understanding of the story/characters. The following pages contain vocal and scene selections (Sides) by character that each student should prepare/memorize before his/her audition.

***Indicates a role with singing and speaking.*

**Indicates a role with just speaking.*
