## Cuboree!

*“The Scout Awakens: A Hoth Style Environment”*

**When:** Friday April 26<sup>th</sup> – Sunday April 28<sup>th</sup>

**Where:** Belk Scout Camp, 9408 Belt Road, Midland, NC  
<http://www.mycampgrimes.org/belk>

**Cost:** \$23 Scouts/Siblings, \$17 Leaders/Adults

**Activities:** Cub Scouts will be set off on a series of challenges to strengthen their skills and prove themselves to be ONE with the FORCE in Scouting. Stations will include BB, Archery, Slingshots, Climbing Tower, Obstacle Courses, Jedi Armory, Gaga Ball Pit and other fun activities.

**Registration:** Each Pack must submit a registration form listing all scouts (by rank), siblings and adults who will be attending. Registrations and payment should be turned in at the Council Scout office along with [BSA Medical Form parts A and B](#) for all campers on or before **Friday April 5th, 2019**

**Pack Coordinators:** Each Pack must supply a Pack Coordinator, who is a registered staff member in charge of making sure the needs of that Pack are met. The Pack Coordinator or a delegate must be at camp for the entire weekend and ready to serve as part of staff at need.

**Camping and Check-In:** We will be camping in Cub Scout World, Clear Creek Sites and Boy Scout World. Cub Scout World has platform tents available for use, but Scouts are encouraged to bring, setup, and sleep in their own tents with other scouts in preparation for Boy Scouts. If your Pack would prefer to camp in Boy Scout World or Clear Creek Sites, you must bring your own tents and indicate this on your registration form. Camp site assignments will be provided prior to camp based on unit needs. Check-In will be at the Welcome Center at the front gate. There will be no parking in Cub World; gear transport will be available and help will be provided.

**Meals:** Saturday breakfast, lunch and dinner will be prepared and served in the dining hall. Packs will be expected to prepare Sunday breakfast in their campsites-it is recommended to keep this simple.

**Class A Uniforms:** Please bring. Will indicate in the camp schedule when Class A uniforms are expected.

**Youth Staff:** Boy Scouts who are 14 years of age and are at least First Class rank are encouraged to volunteer as Camp Staff. ALL Boy Scouts interested in being part of staff should email the Camp Director. Please provide a recommendation from your Senior Patrol Leader or Scoutmaster.
