Hi

Thank you for your interest in Rampless ground loading trailers.

**The LAZY-LOWDER Double bike trailer (ATM 750kg)**  
**is AUD\$4 980 plus GST or \$5 478 incl GST ex-Sydney.**  
*( 3 front wheel chocks, rear wheel channels as well as  
a spare wheel with lockable wheel bracket are included.)*

Trailer allocations may be secured by way of a \$250 deposit per trailer.  
This amount will be receipted as soon as the funds appear in our account.

#### Bank Details

**Levinrey Pty Ltd**

**BSB 012 294**

**Acc No 1083 01577**

For customers in NSW, full settlement a week before delivery enables Rampless Trailers to perform pre-delivery service and present the trailer(s) for blue slip inspection on your behalf.

Please take a look at FAQ on the website [www.rampless.net](http://www.rampless.net) and if you have any questions or would like to chat, feel free to call.

## **Terms and Conditions**

Rampless imports ground loading trailers and is no longer a manufacturer.

Each trailer has been previously pre-assembled and tested before shipping.

Any changes and accessories added either by the user or on behalf of the user must comply with the Australian road rules. These accessories will add to the **Tare weight** and therefore affect the **maximum load permissible**.

Trailers can only be supplied when paid for in full and on-road costs such as inspection, taxes and registration fees are for the customer's account. While every effort is made to deliver on-time, Rampless does not accept responsibility for any losses incurred either directly or indirectly through delays in delivery.

Rampless offers a lifetime warranty against faulty workmanship. Warranty work will be carried out on a back to base basis in Hornsby NSW.

Component parts typically carry a 1 year manufacturer's warranty. Rampless undertakes to make every effort to deal with suppliers of 3<sup>rd</sup> party component issues on your behalf.

### **Please Note**

Warranties only apply where the trailer has been used for the purpose it was designed.

Public weighbridges should be used to confirm that the trailer has not been overloaded.

Mis-use and fair wear and tear are NOT covered.

This trailer is not built for marine applications or being submerged in salt water or chemicals.

Collision with other objects may void the warranty.

It is the responsibility of the user to always ensure that their trailer is road-worthy and that the trailer and load have been properly secured.
