

TOMORROWS BAD SEEDS

PRESS QUOTES

*"With a thick, dubbed out groove and a touch of a West Coast hip-hop beat, 'Trinity' is reggae at first listen but also shows that there are more complex musical dynamics in place" - **Glide Magazine***

*"It's full speed ahead for musical pioneers Tomorrows Bad Seeds." - **Top Shelf Music***

*"'Frequency' aptly captures the message of positivity and love at the core of the song by focusing on the band where this message originates." - **Rootfire***

*"One word that describes 'The Great Escape', both the song and the album, is passion." - **ThePier.Org***

*"From their start in 2001, TBS has consistently been a cornerstone of the Cali reggae movement, combining reggae with rock with pop with hip hop to render one of the top sounds in the scene." - **Top Shelf Music***
