This is the 14th production sale on behalf of Mr Paul Slater of the Whiteley Hey Flock, and as a company, we are pleased to be associated with this sale.

Paul's dedication over the years of buying the best rams to breed means the Whiteley Hey flock has longevity and needs minimal input and produces lambs of superior carcasses.

The rams and females on offer are of excellent conformation and skins and are for the forward thinking farmer, and to maximise income when selling lambs

As a company, we conduct Primestock sales every Tuesday and Friday, and without fail, lambs produced from the Whiteley Hey rams are regularly within the top five highest priced lambs in the market.

All sheep on offer are vaccinated with enzo-vac, tox-vac and foot vac and are on the Heptavac P system.

The sheep are fed naturally with malassed sugar beet pellets only therefore they continue to thrive and go on to do well for their new owners.
