Come along and get into the Christmas spirit as we will be making our very own wreaths to display at home! Dr. Seuss will be there to add a special touch! Let's also make our own Christmas cards!

TUESDAY

Join us today as we will be making and putting our own personal touches on wall hangings with our favourite Dr. Seuss quote or Christmas message!

WEDNESDAY

Everyone loves a sweet treat at Christmas time so today we will be making yummy fudge and some reindeer poo! We will also make our own wrapping paper to wrap up our special treasures!

THURSDAY

A beautiful photo and handmade photo frame would be the perfect gift for a loved one! We can decorate it with the favourite Christmas and Dr. Seuss colours - red, white and green!

FRIDAY

Make sure you have your creative hats on today as we will be making mini Dr. Seuss hats to turn into anything you like! Let's finish off by writing letters to Santa and his elves in the North Pole!
