Joker

Still more Nigerians.

The so-called Nigerian school of writers is something of a joke but according to a recent news item, Americans are ripped off by such con men to the tune of about \$100,000,000 per year, making it a sick sort of joke.

Despite the improbable basic spiel, they attract some punters who are strung along by self-delusion into committing themselves in apparently harmless fashion, dreaming of untold riches, to find too late that they are losers. We've had queries about their veracity from as far away as Canada.

The spiel is absurd. In a country with a dirt-poor economy, an unlikely hoard of money, usually about thirty million dollars US, is found. At best, the spieler claims that the money belongs to them by right of inheritance. At worst, shonky officials claim some right to it.

They offer a huge commission of about 25-30%, plus expenses, to anyone who'll help them by providing them with their bank account details so that the money may be transferred out of the country.

As previously pointed out, for only one such account and such a deal, there are any number of banks and companies such as Wells Fargo and Western Union, that would be happy to open a branch anywhere in the world. It is a fair bet that there are no such branches in the countries cited!

The genre is developing, with South Africa, Zimbabwe and China being included along with Nigeria. Given the stories about Saddam's huge currency and gold heist, Iraq is bound to soon rate a mention.

This is definitely the last of the genre to be published in PixelPapers.

Please scroll down for some really feral writing, with two different sons of Mr Mobutu, one of whom seems to label his late dad with the former Winnie Mandela's middle names.

Please also note PixelPapers' selfless rejection of wealth, which surely should win a nomination for a Nobel Prize.

Sir,

It is my great pleasure to write you this letter on behalf of my colleagues. Your information was given to me by a member of the South African Export Promotion Council (S.A.E.P.C), who was with the Black Economic Empowerment Commission (Government) delegation on a trip to the United States during a bilateral conference talk to encourage foreign investors.

I have decided to seek a confidential co-operation with you in the execution of a deal hereunder for the benefit of all parties, and hope you will keep it confidential because of the nature of business. Within the Department of Mining Resources where I work as the Director of Project Implementation, with the co-operation of three other officials, we have in possession, an overdue payment in US funds. The said funds represent certain percentage of the contract value executed on behalf of my Ministry by a foreign contracting firm, which we the officials over-invoiced to the amount of

US\$29,600,000.00(Twenty Nine Million Six Hundred Thousand United States Dollars).

Though the actual contract cost has been paid to the original contractor, leaving the excess balance unclaimed. The Government of the Republic of South Africa believes that private investment in general, and foreign direct investment in particular, are the real engines for sustainable economic development. For which reason it has continued to encourage investments in the key growth-oriented sector of Mining with sincere determination to pay foreign contractors all debts owed to them, so as to continue to enjoy close relationship, and a mutually beneficial co-operation with foreign governments and non-governmental financial agencies.

As a result we included our bills for approvals with the co-operation of some officials at the Department of Finance and the Reserve Bank of South Africa (R.B.S.A). We are seeking your assistance as the beneficiary of the unclaimed funds, since we are not allowed by law to operate a foreign account. Details and changing of beneficiary information and other forms of documentation upon application for claim to reflect the payment and approvals will be secured on your company or your good self.

I have the authority of my colleagues involved to propose that, should you be willing to assist us in this transaction. Your share as compensation will be 25% while my colleagues and I shall receive 70%, and the balance of 5% shall be used to reimburse all expenditures, taxes and miscellaneous expenses so incurred. It does not matter

whether or not your company does contract projects of the nature described here. The assumption is that your company won the major contract and subcontracted it to other companies.

More often than not, big trading companies and firms of unrelated fields win major contracts and subcontract same to more specialized firms for execution. This business itself is 100% safe, provided you treat it with utmost confidentiality. Also your specialization is not a hindrance to the successful execution of this mutually beneficial transaction.

I repose confidence in you and hope that you will not disappoint us. Kindly notify me for further details, upon your acceptance of this proposal.

Taipei, Taiwan, R.O.C.

It would be proper for me to first of all thank you for responding to the email that I sent to you even if it was not too proper of me to reach you like that but it was because of necessity and the situation of things that made me to reach you you like that.

You have nothing to worry about nothing to fear whatsoever. All I am looking for is for your assistance in this crucial and some what destined opportunity. First of all my name is SEUNG CHANG I am an auditor for a Bank in Taiwan. I got your email address while searching for trustworthy individual personality that can collaborate with me in this matter of crucial mutual benefits.

In carrying out our professional etiquette report, we discovered an abandoned sum of Twelve Million United States Dollars (\$12,000,000:00mUSD) in the account belonging to one of their late foreign customer who died along with his entire family in a plane crash.

Since we got information about his death, we have been expecting his next of kin to come over and claim this money because we cannot release it unless somebody applies for it as next of kin or relation to the

deceased as indicated in their banking guidelines. Unfortunately, we learnt that all his supposed next of kin or relations died alongside with him in the plane crash leaving nobody behind for the claim. It is therefore upon this discovery that I now decided to make this business proposal to you, and release the money to you as the next of kin or relation to the deceased. And subsequent disbursement since nobody is coming for it and we don't want this money to go into the Bank Treasury as unclaimed asset.

The Banking law and guideline here stipulates that if such money remained unclaimed after Six years, the money will be transferred into the Bank Treasury as unclaimed fund. Regards to the professionalism we have the mandate to decide who becomes the next of kin, (though classified). The request of foreigner as next of kin in this business is occasioned by the fact that the customer was a foreigner and a CITIZEN OF TAIWAN cannot

stand as next of kin to a foreigner.

This is the actual reason why it will require a second party or fellow who will forward claims as the next of kin Therefore, to enable the immediate transfer of this fund to you as arranged, you must apply first to the

bank as relations or next of kin of the deceased indicating your private telephone and fax number for easy and effective communication. And indicate where in the money will be remitted to as well. I will also instruct

you on how you can add in your application to the bank that you get paid through their corresponding bank in America, Europe or Asia as this will be Easier for us all.

Upon receipt of your reply, I will send to you by fax or email the text of the application. I will not fail to bring to your notice that this transaction is hitch free and that you should not entertain any fear as all required arrangements have been made for the transfer.

Yours Truly,

S. CHANG

Dear Partner,

I am the son of the late president of Democratic Republic Of Zaire, President Mobutu Sese Seko, (now The Republic Of Congo, under the leadership of the son of Mr. Laurent Kabila). I presume you are aware there is a financial dispute between my family (THE MOBUTU) and the present civilian Government. This is based on what they believe as bad and corrupt governance on my late father's part. May his soul rest in perfect peace. As you might have heard how a lot of my father's bank account in Switzerland and North America has been frozen.

Following the above named reasons, I am soliciting for your humble and confidential

assistance to take custody of twenty Million United States Dollars (US\$20,000,000.00), also to front for me in the areas of business you desire profitable.

These funds have secretly been deposited into a confidential Security firm where it can easily be withdrawn or paid to a recommended beneficiary. The funds will be released to you by the Security firm based on my recommendations on that note, you will be presented as my partner who will be fronting for me and my family in any subsequent ventures.

Myself and my mother have decided to give 18% to you if you are able to help us claim this consignment. We have also decided to give you any money spent on phone calls or travelling expenses in the course of this transaction at the end of the transaction.

Contract Award/Review Committee

Federal Ministry of Works and Housing

Nigeria.

Dear Friend,

I am making this contact with you based on trust and confidence irrespective of the fact that we have not met before. I am positive that you will be interested and capable of handling a business transaction involving huge amount of money. This business proposal is of mutual benefit and it's success is entirely based on mutual trust and cooperation.

I am the Chairman of the Contract Award/Review Committee of the Nigerian Federal Ministry of Works and Housing (FMWH). I am seeking your assistance to enable me transfer the sum of US\$7,300,000.00 into your private or company account. The fund came about as a result of a contract awarded and executed on behalf of my Ministry. The contract was supposed to be awarded to two foreign contractors to the tune of US\$60,000,000.00. However, in the course of negotiation, the contract was awarded to a Bulgarian contractor at the cost of US\$52,700,000.00 to my benefit. This contract has been satisfactorily executed and inspected as the Bulgarian firm is presently securing payment from my Ministry, where I am the Executive Director in-charge of all foreign contract payment approval. As a civil servant still in active government service, I am forbidden by law to operate an account outside the shores of Nigeria. Hence this message to you seeking your assistance so as to enable me present your private/company account detail

as a beneficiary of contractual claims alongside that of the Bulgarian contractor, to enable me transfer the difference of US\$7,300,000.00 into your provided account. On actualization, the fund will be disbursed as stated below:

1. 5% of the fund will be use to offset any incidental expenses

2. 25% of the fund will be for you as beneficiary

3. 70% of the fund will be for me which I intend to invest in your country with you as my partner. All logistics are in place and all modalities worked out for a smooth actualization of the transaction within the next few working days of commencement. For further details as to the workability of this transaction, please respond by return mail. Thank you and God bless as I'm anxiously waiting for your urgent response. Please when replying, indicate your confidential Tel and Fax numbers & provide a company name you would like us to use in applying for payment for urgent conclusion of the transaction.

Yours Sincerely,

Spencer Edo.

"MARYAM ABACHA" <shehumusa2002@email.com>

Dear sir,

I have incessantly searched for a trustworthy person whose confidence can be guaranteed in prosecuting this transaction of high magnitude and urgency. I urge you to view this proposal with all transparency and honesty.

I am Mrs. Maryam Abacha, the widow of the late Gen. Sani Abacha

former Nigerian Military Head of State who died mysteriously as a result of Cardiac Arrest.

Since after my husband's death my family has been under restriction of movement and that notwithstanding, we are being molested, policed and our Bank Account both here and abroad are being frozen by the Nigerian Civilian Government. Furthermore, my elder son was in detention by the Nigerian Government for more interrogation about my husband's assets and some vital documents. Following the discovery of my husband's Bank Account by the Nigerian Government with Swiss Bank in which the sum of US\$700 Million and DM450 Million was logged. I therefore decided to contact you in confidence as a foreigner as our other family friends gave up to the government our funds with them.

I was able to move out the sum of US\$12,320,000 Dollars, sealed in two Metal Boxes, for security reasons I can not say much on this now. I am actually using this medium to appeal to you seriously and religiously for your urgent assistance to move this money into your country where I believe it will be safe since I cannot leave my country due to the restriction of movement imposed on the members of my family by the Nigerian Government.

You can contact me through my email address as above and I shall

ask my son ABBA to come over to your country to liaise with you towards effective completion of this transaction. However, as soon as you indicate your interest my son shall send you the Air-Way Bill of the Luggage and other related documents so that you can help to claim the Luggage and subsequently transfer to your personal or company's account.

Conclusively,we have agreed to offer you 20% of the total sum,10%willbe for expenses incurred during the cause of this transaction,while70% is to be held on trust by you until we can decide on a suitable business investment in your country subsequent to our free movement by the Nigerian Government.

Please reply urgently and treat with absolute confidentiality and sincerity.

Best Regards,

HAJIA MARYAM ABACHA

PLEASE ENDEAVOUR TO USE IT FOR THE CHILDREN OF GOD.

I am the above named person from Malaysia but now undergoing medical treatment in germany. I am

married to Dr.Alan George Rowland who worked with Malaysia embassy in South Africa for nine years before he died in the year 2000.

We were married for eleven years without a child. He died after a brief

illness that lasted for only four days. Before his

death we were both born again Christians.Since his

death I decided not to re-marry or get a child outside

my matrimonial home which the Bible is against.When my

late husband was alive he deposited the sum

of\$27.6Million (twenty-seven Million six hundred thousand U.S. Dollars) with one

finance/security company in Europe.

Presently, this money is still with the Security

Company. Recently, my Doctor told me that I would not

last for the next three months due to cancer problem.

Though what disturbs me most is my stroke.

Having known my condition I decided to donate this

fund to church or

better still a christian individual that will utilize

this money the way I am going to instruct here in. I want a church or individual

that will use this to fund churches, orphanages and

widows propagating the word of God and to ensure that

the house of God is maintained. The Bible made us to understand that Blessed is the hand that giveth.

I took this decision because I don't have any child that will inherit this money and my husband relatives are not Christians and I don't want my husband's hard earned money to be misused by unbelievers. I don't want a situation where this money will be used in an ungodly manner, hence the reason for taking this bold decision. I am not afraid of death hence I know where I am going. I know that I am going to be in the bosom of the Lord. Exodus 14 VS 14 says that the lord will fight my case and I shall hold my peace. I don't need any telephone communication in this regard because of my health, and because of the presence of my husband's relatives around me always. I don't want them to know about this development. With God all things are possible. As soon as I receive your reply I shall give you the contact of the Finance/Security Company Europe. I will also issue you a letter of authority that will empower you as the original- beneficiary of this fund. I want you and the church to always pray for me because the lord is my shephard. My happiness is that I lived a life of a worthy Christian. Whoever that wants to serve the Lord must serve him in spirit and truth. Please always be prayerful all through your life.

Any delay in your reply will give me room in sourcing for a church or christian individual for this same purpose. Please assure me that you will act accordingly as I stated herein. Hoping to hear from

you.

Remain blessed in the name of the Lord.

Yours in Christ,

Mrs Sarah Rowland.

RE: TRANSFER OF (\$26,000.000.00 USD}

TWENTY SIX MILLION DOLLARS

Dear Sir,

We want to transfer to overseas account

(\$26,000.000.00 USD) Twenty six million United States

Dollars) from a Prime Bank here in South Africa, I

want to ask you, If you are not capable to quietly

look for a reliable and honest person who will be

capable and fit to provide either an existing bank account or to set up a new Bank a/c immediately to receive this money, even an empty a/c can serve to receive this money, as long as you will remain honest to me till the end for this important business trusting in you and believing in God that you will never let me down either now or in future.

I am the Auditor General of one of the prime banks here in South Africa, during the course of our auditing,I discovered a floating fund in an account opened in the bank in 1996 and since 1998 nobody has operated on this account again,after going through some old files in the records I discovered that the owner of the account died without a [Heir/WILL] hence the money is floating and if I do not remit this money out urgently it will be forfeited for nothing. The owner of this account is PEDRO F. HASLER a foreigner, a great industrialist and he died since 1998.No other person knows about this account or any thing concerning it, the account has no other beneficiary and my investigation proved to me as well that until his death he was the manager GOLD ARK [pty]. SA.

We will start the first transfer with Six million [\$6,000.000] upon successful transaction without any disappoint from your side, we shall re-apply for the payment of the remaining rest amount to your account.

The total amount involve is Twenty six million United States Dollars only [\$26,000.000.00]. I want to first transfer \$6,000.000.00 [Six million United States Dollar] from this money into a safe foreigners account abroad before the rest. But I don't know any foreigner, I am only contacting you as a foreigner because this money can not be approved to a local person here, without valid international foreign passport, but can only be approved to any foreigner with valid international passport or drivers license and foreign a/c because the money is in US dollars and the former owner of the a/c is a foreigner too, and the money can only be approved into a foreign a/c.

However, we will sign a binding agreement, to bind us together when we meet face to face after the first transfer of \$6 Million before transferring the second part of \$20 Million. I am revealing this to you with believe in God that you will never let me down in this business, you are the first and the only person that I am contacting for this business, so please reply urgently so that I will inform you the next step to take urgently. Send also your private telephone and fax number including the full details of the account to be used for the deposit.

I want us to meet face to face to build confidence and to sign a binding agreement that will bind us together immediately after the first transfer before we fly to your country for withdrawal, sharing and investments.

I need your full co-operation to make this work fine because the management is ready to approve this payment to any foreigner who has correct information of this account, which I will give to you upon your positive response and once I am convinced that you are capable and will meet up with instruction of a key bank official who is deeply involved with me in this business. I need your strong assurance that you will never, never let me down.

With my influence and my position in the bank the bank official can transfer this money to any foreigner's reliable account that you can provide with assurance that this money will be intact pending our physical arrival in your country for sharing. The bank official Will destroy all documents of transaction immediately we receive this money leaving no trace to any place and to build confidence you can call me for heart to heart discussion through my private satellite phone which I secured for the security and safety of this business as you know that this business is confidential. I will use my position and influence to obtain all legal approvals for onward transfer of this

money to your account with appropriate clearance from the relevant ministries and foreign exchange departments.

At the conclusion of this business, you will be given 35% of the total amount, 60% will be for me, while 5% will be for expenses both parties might have incurred during the process of transferring.

I look forward to your earliest reply through my email address.

Yours truly,

Dr.Mangold chukwu.

FROM:Mr Andy Moyo

JOHANNESBURG

SOUTH AFRICA

ATTN:M.D.C/E/O

URGENT AND CONFIDENTIAL

I know this will come to you as a surprise,receiving an email from

someone like me since you don't know me personally. Kindly allow me; I am andy Moyo, son of Dr. Morgan Moyo, who was murdered in February last year in the land dispute crisis in Zimbabwe.

My family used to live in a town called Chinhoyi

located in the heart of Mashonaland about 120km from Harare, the capital city of my former country Zimbabwe, Chinhoyi was largely a

peaceful farming area where one can own land and cultivate it if one worked hard enough. The relative peace existing in Chinhoyi and our lives were shattered with the beginning of the ruling

party's sponsored land invasion by war veterans who we suspected were acting with the backing of the government of Mugabe. My late

father was among the few black Zimbabwean rich farmers murdered in cold blood by the agents of the ruling government of President

Robert Mugabe. For his alleged support and sympathy for the Zimbabwean opposition Party. Before his death, My Father on one of

his many trips abroad took me to Johannesburg to deposit the sum of US\$28.5 Million (twenty eight Million, Five-Hundred Thousand United

States Dollars) with a security and finance company as if he foresaw the looming danger in Zimbabwe.

The money was deposited with the security company on our arrival in Johannesburg to avoid its seizure and largely for its safety too.

President Mugabe gave this money to my father for

investment purpose while they were still in good terms. This land problem

arose when President Mugabe who according to my late father, in a desperate bid

to hold on to power for life introduced a new land

act, which wholly affected the rich farmers who were mostly white and some blacks

eventually vehemently condemned the method adopted by the government. And that resulted in rampant killings, lootings and wide scale mob actions by the veterans and some political

thugs. Precisely, more than 31 (Thirty-One) people have been killed and as I write to you now, at least 40 white and black families have fled

rising violence on their farms in north-western

Zimbabwe and about 300 family members had fled by Sunday from about 100 raided farms.

Some were flown out on light aircraft to the Kariba airport after mobs blocked several roads.

It is against this background that my family and I

currently staying in South Africa as asylum seekers, have decided to transfer my father's money into a foreign account.

As the eldest son of my late father, I am saddled with the responsibility of seeking an honest individual with vast experience in business to help us safeguard and invest this money. I am

presently living in South Africa, as an asylum seeker and financial law of the Republic of South Africa do not allow asylum seekers certain financial rights. In view of this, coupled

with the way this money was acquired, I decided to invest this money anywhere else inside or outside Africa, but preferably outside Africa.

From the above you will understand that my entire life and my family depends on this money, as such I shall be very grateful if you can assist me to transfer this money out of South Africa to your company or personal account in your name, in any of the commercial banks.

Please note that by your offering to assist us we willon your contacting me over the phone discuss a suitable compensation for you and also I would like to mention too that this transaction has no

risks involved from your end whatsoever and another major thing I demand from you is an honest answer if you have handled any transaction of this kind of magnitude before and assurance from you that our family has your complete trust and assurance that this money will be safe once transferred to your account.

Please I can be reached on my E-mail address to

further clarify any other question you may want to ask me. On proving your honesty we will then forward you the lodging documents for our late father's deposit to prove our claim to you

and also for confirmation.

I and my Mother live a very quiet life here in South Africa trying to forget the recent horrors that we escaped so I please demand that you keep the existence of our late father's money discreetly for reasons bordering on the safety of myself and my family members shall be very grateful if you maintain the confidentiality of our request to you for assistance. Looking forward to hearing from you.

Yours in andy

Dear Sir/Madam,

URGENT ASSISTANCE NEEDED

E-MAIL donaldste101@netscape.net

You may be surprise to receive this Email from me since you do not know me

personally. However, I would like to introduce myself. I am Mr. Donald Stevens, the son of Dr. Denis Stevens who was murdered few months ago in Zimbabwe as a result of land dispute. Before the death of my father (Dr.Stevens), he had taken me to AMSTERDAM to deposit the sum of Twenty-Two Million United States Dollars (US\$22,000,000) in a Security

and Finance Company, as he foresaw the looming danger in Zimbabwe. The money in question was deposited in a box as Gemstones to avoid much demurrage from the Security and Finance Company. The proposed amount was meant for the purchase of new machines and chemicals for the farms and establishment of new farm on Swaziland. As you may be aware this land problem came into force when Zimbabwe president Mr. Robert Mugabe Introduced the Land Reformed Act of which many rich farmers and some black farmers where affected. This resulted to the killing and mob action by Zimbabwe war veterans and some lunatics in the society. In fact, a lot of people were killed because of this Land Reformed act of which my dad was one of the victims. It is against this background that my family and I who are currently staying in Amsterdam decided to transfer my father's money with the Security and Finance Company to a foreign account since the Dutch law prohibit a refugee (asylum seeker) to open any account or be involved in any financial transaction. As the eldest son of my father, I am saddled with the responsibility of seeking a genuine foreign account where the money could be transferred . I am faced with the dilemma of investing this amount of money in Holland for the

fear

of going through the same experience in future since both countries have similar history. Moreover, The Netherlands foreign exchange policy does not

allow such investment from asylum seekers. As a businessman, whom I have entrusted my future and my family in his hands, I must let you know that this transaction is risk free. If you accept to assist me and my family, all

I need you to do for me is to make arrangement and come to AMSTERDAM, THE NETHERLANDS, so that we can open the non-resident account which will aid us

in transferring the money into any account you will nominate overseas.

This

money I intend using for investment. I have options to offer you, first you

can choose to have certain percentage of the money for nominating your account for the transaction, or you can go into partnership for a proper profitable investment of the money in your country. Whichever option you choose, feel free to notify me. I have mapped out 5% of this money for all

expenses incurred in processing the transaction. If for some reasons you do

not prefer a partnership, I am willing to give you 25% of the money while

the remaining 70% that is meant for me, will be for the investment in your

country. Please, contact me on the above Email so that we can discuss

further.

Yours faithfully,

Donald Stevens.

From: MR RICHMOND WILLIAMS
BANK ACCOUNTANT, ABIDJAN

Dear

First, I must solicit your confidence in this transaction, this is by virtue of its nature as being utterly

CONFIDENTIAL and TOP SECRET, We are privileged to contact you because every human being is connected to others in a web of relationship, this relationship exist because we need one another for mutual support and to accomplish our goal. Though I know that a transaction of this magnitude will make one apprehensive and worried, but I am assuring you that all will be well at the end of the day, We have decided to contact you due to the urgency of this transaction, as we have been reliably informed of your discreteness and ability in transactions of this nature. In brief summary, I am MR RICHMOND WILLIAMS, an Accountant with a BANK here in abidjan .I came to know of you in my private search for a reliable and Reputable person to handle this confidential transaction, which involves the transfer of a huge sum of money to a foreign account requiring maximum confidence.

THE PROPOSITION: A foreigner, Late Engineer Johnson Berry, is a cacao merchant/Contractor with the Federal Government of Ivory Coast, until his death five years ago in a aghastly car accident, banked with us here at bicici bank abidjan, and had a closing balance of US\$37.M (THIRTY SEVEN Million, United States Dollars) which the bank now unquestionably expect it to be claimed by any available foreign next of kin of the Late beneficiary or alternatively be donated to a discredited trust fund for arms and ammunitions at a military war college here in ivory coast, Fervent valuable efforts are being made by the bicici bank

to get in touch with any of the Berry family or relatives but proved to avail. It is because of the perceived possibility of not being able to locate any of Late Engr. Johnson Berry's next of kin (he had no known wife and children) that the management under the influence of our chairman and member of the board of directors, retired Defence Minister Lida Koissi, said that an arrangement be made for the funds to be declared "UNCLAIMABLE" and subsequently be donated to the Trust Fund for Arms and Ammunition to further enhance the course of war in Africa and the world in general. In order to avert this negative development, some of my trusted colleagues and I now seek your permission to have you stand as a next-of-kin to Late Engr. Johnson Berry so that the funds US\$37.M would be released and paid into your bank account as the beneficiary next of kin.

All documents and proves to enable you get this fund will be carefully worked out and more so we are assuring you of a 100% risk free involvement. Your share stays while the rest would be for my colleagues and myself for Investment purposes in your country.

FEDERAL SECRETARIAT COMPLEX (ANNEX)

LAGOS, NIGERIA.

Dear sir

REQUET FOR URGENT BUSINESS RELATIONSHIP

First, I must start by soliciting your confidence in

this transaction. This is by virtue of its nature as

being utterly confidential. We require an associate who is capable of prosecuting a transaction of great magnitude involving a pending business transaction requiring utmost secrecy.

We are top officials of the Federal Government

Contract Review Panel(CRP) who are interested in

importation of goods into our country with funds which

are presently trapped in Nigeria. In order to commence

this business we solicit your assistance to enable us

transfer some trapped funds into your account.

The source of this fund is as follows: In the past few

years, the Federal Government of Nigeria allocated

funds to its Ministries and Agencies based on their requests for funds for the execution of projects. Due to the Government's Central Accounting System, all such allocated funds were paid into the Central Bank of Nigeria, which is the apex bank as well as the banker to the Federal Government. The Federal Government of Nigeria therefore set up a Contract Review Panel (CRP) with a view to identifying duly completed projects, unutilized funds and make recommendations as appropriate. We have identified a lot of the unutilized funds and we want to transfer some of it abroad.

However, by virtue of our position as civil servants

and members of this Panel, we cannot acquire this money in

our names. I have therefore been delegated, as a matter of

trust by my colleagues in the panel, to look for an

overseas partner into whose account we would transfer

the sum of US\$24,500,000.00 (Twenty Four Million, Five Hundred Thousand US Dollars). We have a complete understanding of the workings of this form of endeavour and as civil servants, we shall need some financial assistance in completing the project wher

e you

decide to assist us. After the transfer, we have agreed to share the money thus;

20% for the account owner (you),

70% for us (the officials) and

10% to be used for the reimbursement of

taxation and all local and foreign expenses.

It is from our 70% that we wish to commence the importation business. Please note that this transaction is 100% safe and we hope to complete the transfer latest in ten (10/14) banking days from the date of receipt of the information below.

We urgently require the following from you by fax;

1. Name of Beneficiary (account owner), telephone and

fax numbers for easy communication.

2. Name and Full Address of Company.

3. Complete particulars of the Bank where you wish the

funds to be transferred. This should include the bank

address, account number, the telephone and fax numbers

of the bank. The above information will enable us

write letters of claim and job description respectively. An application for payment will be made in favour of the beneficiary (you or your company) and the funds shall be transferred to the bank and account number specified in the application. We are loo

king

forward to doing business with you and please treat this transaction as strictly confidential.

As a token of our gratitude, as soon as you confirm

the arrival of the funds in your account, we shall

arrange for you the equivalent of 500,000 barrels of

Automobile Gasoline (AGO), for spotlifting as less than market price. One of my colleagues is directly in charge of Crude Oil

allocation.

Thanks for your anticipated cooperation.

Yours faithfully,

Respectfull one,

Good a thing to write you. we have a proposal for you-this however is not mandatory nor will we in any manner compel you to honour against your will.

We are Kweku and Kwesi ,23years old and the only surviving twins of our late parents Mr.and Mrs.Sebotimo. our father was a highly reputable busnness magnate-(a cocoa merchant)who operated in the capital of Ivory coast during his days.

It is sad to say that he passed away mysteriously in France during one of his business trips abroad on 12th.Feb. 2002.Though his sudden death was linked or rather suspected to have been masterminded by an uncle of his who travelled with him at that time.

But God knows the truth!

Our mother died when we was just 4 years old,and since then our father took us so special. Before his death on Febuary 12 2001 he called the secretary who accompanied him to the hospital and told her that he had a sum of \$25 million US DOLLARS (twenty five MILLION USA DOLLARS)kept in 2 trunks boxes with a private security company in (AFRICA)here in Abidjan Ivory Coast.

He also said that the security company does not know the content of the safe Box. He declared it as family treasure and used our name to Deposit the money as his only surviving children and also his next of kin. He also explained to us that it was because of this wealth that he was poisoned by his business associates, That we should seek for a foreign partner in a country of our choice where we will transfer this money to and use it for investment purposes.

We want you to assist us in clearing this fund into your account overseas as a beneficiary of the fund, and also use it for an investment purpose.

We are just 23 years old and a university undergraduate and really don't know what to do. Now we want an account overseas where I can transfer this funds. This is because we have suffered a lot of setbacks as a result of incessant political crisis here in Ivory coast. The death of our father actually brought sorrow to our life.

Dearest one, I am in a sincere desire of your humble assistance in this regards Your suggestions and ideas

will be highly regarded.

Now permit me to ask these few questions:-

1. Can you honestly help me as your daughter?
2. Can we completely trust you?
3. What percentage of the total amount in question will be good for you after the money is in your account?

Please, Consider this and get back to us as soon as possible.

Thank you so much.

Our sincere regards,

Kweku and Kwesi Sebotimo.

Dear Mr/Mrs

I apologize for contacting you in this form, since you

don't know me personally; I am Mr. Oseba Komeru the son of Tamamba Komeru who was recently murdered in a land dispute in Zimbabwe.

I am writing this letter to request your assistance and confidentiality to handle a transfer of fund into a Foreign account and I decided to write you, my late father was among the few black Zimbabwean rich farmers murdered in cold blood by the agents of the ruling Government of President Robert Mugabe, for his alleged support and sympathy for the Zimbabwean opposition party controlled by the white minority, Before my father's death, he has taken to Johannesburg and deposited the sum of Twelve Million United State Dollars (\$12 million) with a Security and Finance Company as if he foreseen the looming danger in Zimbabwe.

This money was allocated for the purchase of new Machinery and chemical products for Agro allied farm and for the establishment of new farms in Lesotho and Swaziland. These land problems arose when President Robert Mugabe introduced a new land act that wholly affected the rich white farmers, and the blacks vehemently condemned the "modus operandi" adopted by the government. This resulted to rampant Killings and mob action by the war veterans and some political thugs, precisely more than three thousands (3,000) people have so far been killed. Heads of government from the west, especially Britain and United States have voiced their condemnation of Mugabe's plans. Subsequently, South Africa Development Community (S.A.D.C) has continuously supported Mugabe's new land act, it is against this background that my entire family

who are currently residing in South Africa have decided to transfer my father's money into a foreign account. As the eldest son of my father, I am saddled with the responsibility of seeking a genuine foreign account where this money could be transferred without the knowledge of my government who are tactically freezing our family's wealth and South Africa government seem to be playing along with them. I am faced with the dilemma of investing this money in South Africa for the fear of encountering the same experience in the future, since both countries have the same political history.

More so, The South Africa Foreign Exchange policy does not allow such investment, Hence I am seeking for political asylum in The Netherlands. As a business person whom I entrusted my future and that of my family into his hands, I must let you know that this transaction is 100% risk free and the nature of your business does not necessarily matter. For your assistance, we are offering you 15% of the sum 80% for me and my family, while 5% will be mapped out for any expenses that we may incurred during this transaction. We wish to invest our money on commercial properties based on your advice. Finally, I will demand for assurance that you will not sit on the money when it gets to the account you are going to provide in your country. If this proposal is accepted by you, please confirm your interest by send me an email.

Thank you and God bless you.

Awaiting your urgent respond.

Best Regard

Oseba Komeru.

DEAR PARTNER.

I am aware that it is amazing when a business proposal letter come From Some one that you Don't know however, your address was to the consideration of your profile and I became aware of your credibility and co-operation in this transaction that would be profitable to both of us.

I am Mr Brown Mwananaga. The son of Dr Nanapanga Mwananaga. Finance Minister of Democratic Republic of Congo(DRC),presently I am in the Netherlands on a senior Legal management course. Recently I was contacted by my father over the issue am to explain. Dr nanapanga Mwananaga was appointed the finance Minister in the government of president Laurent Desire Kabila of the Democratic Republic of congo (DRC),Being close friend and also old school mate of president Laurent Desire Kabila, make them have trust in each other.

Early Last four years, a contract was awarded to a foreign company in congo mining corporation on Diamond mining. Before the contract was awarded to the foreign firm, a required amount was Agreed upon and was paid by the contracting company to ensure that it is in their favour. The money paid was (US\$22,000.000.million united state Dollars)and was paid to the then president kabila through his finance minister Dr, Nanapanga Mwananaga.

There after, the whole money was moved to avoid being traced by their political rivals, and was moved to the Netherlands through telegraphic transfer. Unfortunately president Laurent kabila whom my father had this arrangement with was attacked in his home town, by one of his own

body guard, but did not survive. Now that his son has succeeded him, I will want us to use this opportunity to move the money out from the Netherlands to another safe account you will provide before we meet you up personally. If you accept this proposal and ready to cooperate with out directives you will be rewarded , All areas for the smooth transaction is already being taken care off.

Dear sir,

BUSINESS ASSISTANCE

Though you don't know me, I am michael tony, a serria leonnan and who has just gotten out of the hands of Rebel Soldiers, fighting against the regime of President Tijan Ahmed Kaba and his troop. My father who was then the chairman of the diamond co-operation in Sierra Leone, was killed also by the rebels .On the intervention of Rev. Jesse Jackson, we were released and presently staying in a refugee camp in

Ghana.

Before my father's death, he notified me of a huge amount he hurriedly deposited with a security company here in Ghana (during the war). He gave me the documents and authority to claim the consignments from the company. The amount involved in the consignments is \$10.5 million (ten million, five hundred thousand US dollars). He lodged with the company as a jeweller.

I got your contact from a friend here in Ghana, who normally travels on business to your country. I told him of my need for a foreign partner and my intentions to invest in Europe, Asia or USA. He told me of how reliable and trustworthy you are. This is how far he knows of my intentions.

The security company is prepared to help me carry my consignments (money) out of Africa. This security company officials, do travel on official assignments and with diplomatic immunity, to pay offshore contractors. I want you to assist me as my partner to help me receive the consignments over there and keep it in a safe place. Attention:

With warm hearts I offer my friendship, and my greetings, and I hope
This letter meets you in good time. It will be surprising to you to
Receive this proposal from me since you do not know me personally.

However, I am sincerely seeking your confidence in this transaction, which
I propose with my free mind and as a person of integrity.

My name is MOTIZE JOHN the son of LATE FELIX MOTIZE

One of the most popular farmers from Zimbabwe, who was murdered in the Land dispute in my country.

As led by my instinct, I decided to contact you through email, after searching for Contacts via the internet, as it is the only means I can contact anybody since I am cutting off ties with Zimbabwe for now. I apologize if this is not acceptable to you.

The purpose of this letter is to seek your most needed assistance in a Business venture. Due to the land and political problems in Zimbabwe, and President Robert Mugabe's introduction of new Land Act Reform wholly affecting the rich white farmers and the few rich black farmers, all white farmers were asked to surrender their farms to the Government for re-distribution and infact to his political party members and my Father though black was the treasury of the farmers association and a strong Member of an opposition party that did not support the president's idea.

He then ordered his party members and the police under his pay row to Invade my father's farm and burn down everything in the farm. They Killed my father and took away a lot of items from his farm.

After the death of my father, our local pastor and a close friend of my Father handed us over will documents with instructions from my father That we should leave Zimbabwe incase anything happen to him.

The will documents have a certificate of deposit, Airway bill confirming

cash

Deposit totalling Twelve million five hundred thousand united state dollars.

[\$12.5m] kept in custody for us in a security company unknown to the company

(INTERCONTINENTAL SECURITY AND COURIER SERVICES)

<http://www.interseccouriers.com/> that the content is money hence it was

deposited as personal belongings.

This money was deposited with this Private Security Company for

Safety and security reasons, and was to be used for the purchase

Of land, new machines and chemicals establishment of new farms in

Botswana.

This violent and barbaric act by Mugabe has since led to the death of

My beloved mother and kid sister and other innocent lives.

I was continually threatened to abandon my inheritance from my father

After he was murdered. I resisted for a while, but when the danger

Became unbearable, and I survived two murder attempts, I fled Zimbabwe

With the help of my father's close friend Mr. John Casahans from

Australia also a farmer who was leaving in Zimbabwe with us but left

With his family following this ugly development I have tried to reach

Him but all to no avail.

I am currently staying in the Netherlands where I am seeking political

Asylum. In fact my decision to come here to seek asylum, is because

the security company from South Africa, has a branch here, I have

Contacted them to move the safe deposit from their office in

Johannesburg to The affiliate office here in Amsterdam The Netherlands

which they are waiting further directives from me before they effect the movement.

I need to transfer this money to an account and invest part of the Money. Since the law of Netherlands prohibits a refugee (asylum Seeker) to open any bank account or to be involved in any financial Transaction, this is why I am seeking a genuine and reliable Partner, whose account this money can be transferred after the consignment must have been duely transferred from South Africa, hence your involvement in this venture.

You have to understand that this decision taken by me is a very big And brave one, and it entrusts my future in your hands, as a result of the safe keeping of this money.

If you accept to assist me, all I want you to do for me, is to assist With arrangements to claim the deposit from the security company from their office here in The Netherlands, as it has now been transferred >From Johannesburg, South Africa to their branch here. The company will be legally informed of you representing me.

For your assistance, I have two options for you. Firstly you can Choose to have 20% of the money for your assistance, and helping me Open an account for the money to be deposited here, or you can go into Partnership with me for the proper profitable investment of the money in your country.

Whichever the option you want, please to notify me in

Your reply.

I have also set aside 1 % of the total sum \$12.5M for all kinds of Expenses that come our way in the process of this transaction, and 4% For Charity donation. If you prefer to accept the 20% for Your moral and financial assistance then the balance will be left in the account here for me.

Please note that this 1% is not with me at the moment but shall be deducted from
The total contract sum as soon as the money finally hits your nominated account.

Finally I want you to maintain absolute secrecy for the purpose of This transaction.

You can reach me on this Email address motize_jh_200@zwallet.com

I look forward to your reply and cooperation, and I thank you in Advance as I anticipate your co-operation.

Sincerely,

MOTIZE JOHN

in trunk boxes deposited and declared as family valuables by my late father as a matter of fact the company does not know the content as money, although my father made them to understand that the boxes belongs to his foreign partner.

Source of the money:

My late father Chief Sam Bah Billor, a native of Mende District in the Northerh province of Sierra Leone, was the General Manager of Sierra Leone Mining co-operation (S.L.M.C.) Freetown . According to my father, this money was the income accrued from Mining Co-operation's over draft and minor sales.

Before the peak of the civil war between the rebels forces of Major Paul Koroma and the combined forces of ECOMOG peace keeping operation that almost destroyed my country, following the forceful removal from power of the civilian elected President Ahmed Tejan Kabbah by the rebels. My father had already made arrangement for us that is my mother, my little sister and myself to be evacuated to Abidjan Cote d' Ivoire with the CERTIFICATE OF DEPOSIT issued to him by a security firm in South Africa with a sister security firm in Europe.

During the war in my country, and following the indiscriminate looting of Public and Government properties by the rebel forces, the Sierra Leone mining coop. Was one of the target looted and it was destroyed.

My father including other top Government functionaries were attaked and killed by the rebels in November 2000 because of his relationship with the civilian Government of Ahmed Tejan Kabbah.

As a result of my father's death, and with the news of my uncle's involvement in the air crash in January it dashed our hope of survival.

The untimely deaths caused my mother's heart failure and other related complications of which she later died in the hospital after we must have

spent a lot of money on her early this year. Now my 18 years old sister and myself are alone in this strange country suffering without any care or help. Without any relation, we are now like refugees and orphans.

Our only hope now is in you and the boxes deposited in the Security Firm. To this effect, I humbly solicit your assistance in the followings

ways.

1. To assist me claim this boxes from the security

Firm as our beneficiary.

2. To transfer this money (USD\$30M) in your name to your country.

3. To make a good arrangement for a joint business investment on our behalf in your country and you, our Adviser/ Manager For your assistance,

I have agreed with my younger sister that 20% of the total amount will

be for your effort and another 10 % to cover all the expenses that may incur during the business transaction.

Last,I urge you to keep this transaction strictly confidential as no one knows our where about.

Please as you show your willingness, Forward to us your full name, address

and Tel/Fax numbers, to me via my private e-mail address as indicated below,this is for security reasons as I will only be accessing my private e-mail earnestly awaiting your response.

Thanks.

May God bless you as you assist us.

Mr. Adams Peters Bah Billor.

URGENT BUSINESS PROPOSAL

I am Mr.Tatus Mulu the son of late Mr James kasi Mulu of Zimbabwe who was the President of the Cooperative Agricultural Societies (CAS) in Zimbabwe. I got your contact address from South African Chamber of Commerce and Industry. During the current crisis against the farmers of Zimbabwe by the supporters of our President Robert Mugabe to claim all white farms in my

country, he ordered all the white farmers to surrender their farms to his party members and their followers. My father was one of the biggest farmers in the country and although a black indigene, he did not support the President Political Ideology. Therefore the

President supporters invaded my fathers farm burnt down everything killed him and confiscated all his investments. After the death of my father, my mother and I together with my younger

sister decided to move out of Zimbabwe for safety of our lives. On our departure from Zimbabwe, we took along with us some money which my father kept in the safe with my mother s custody which amounted to the sum of US \$25,500,000.00 (TWENTY FIVE MILLION FIVE HUNDRED THOUSAND UNITED STATES DOLLARS) to the republic of South Africa where we have deposited it as personal valuables in a private security company and sought for political asylum. These funds were meant for purchase of agricultural equipment and

machinery. My mother has suggested and I agreed that we have to move out of the

African Continent to overseas for actual safety and to do reliable business investments.

Therefore we have decided that I should contact the reliable business person/firm /company who could assist us to transfer this money out of South Africa through a current investment account because as refugees we are not allowed to operate any

An Interesting variation. Lotteries won without having a ticket!

Despite the fact that Pixelpapers is completely unfunded, we have passed over our prizes in the hope that the money is returned to the needy.

We feel that we are unique as we doubt that more prestigious literary magazines could resist two three and a half million dollars and a million euros!
