

The Star That You Are.

Our body contains all the information it needs to allow you to live in a place of wholeness and presence.

Workshops to:

- Attune to Your Soul Star
- Unlock your Higher Purpose Hidden in Your DNA -An introduction to Richard Rudd's *The Gene Keys*
- Ground at a deeper level to Opening Your Beautiful Heart
- Explore how relationships enhance Self-Understanding

The Gene Keys combine the astrological events at the time of your birth and your DNA as it correlates with the ancient wisdom of the Vedic I Ching. This workshop offers techniques and resources for contemplative insight to bring deeper awareness of your unique and authentic purpose.

Kathleen brings a 30+ years of experience in her work with developmental psychology, family systems, and study of the metaphysical. Her introduction to Gene Keys offers tools for contemplation and self discover of your purpose.
