

WOW!
What can the chamber do to WOW
you?
Let us know!

Thursday, May 3rd 2018

Dear Chamber Member,

It's May and finally warming up and the snow is gone! I couldn't be happier about the weather. For most of the students it is 2 weeks until the end of semester and back home for most of us we go. I'll be staying in Morris, working hard.

Coming up in June there will be another Social Event, we do not have the date set but we will let you know as soon as we can.

Here at the Chamber we are working hard making sure Prairie Pioneer Days is coming together. We are soliciting the events, games, and vendors that will be attending. I am so excited to try out the food and talk with the vendors! If you haven't received a vendor or parade form, don't hesitate to contact us and ask for the forms! You can always check on our Prairie Pioneer Day website for forms and information about Ribfest. If you haven't told us about your event please do so, our deadline for having your event on the poster is May 15! We are also looking for clubs or volunteers to take on bingo for Saturday.

Please check out our Facebook page and our Fridays Facts for updates on events that are happening in Morris and the surrounding areas. Don't miss out on our updates and contests that happen on Facebook. You can always submit to Friday Facts on each Wednesday of the week; it is a great opportunity to get the word out about your events.

We hope you have a wonderful rest of your May and can't wait to hear about more events that are happening the rest of the month! Thank you so much for your continued membership and support!

Jocelyn Giefer
Marketing and Events Intern
Morris Area Chamber of Commerce

We are looking for businesses who would like to host or co-host a Chamber Social in 2018! If you are interested or would like more details on hosting a social, please contact our office! Socials are a great opportunity to network with other Chamber businesses and showcase your business!

Membership Spotlight

Image Xperts

Image Xperts opened its doors in the Spring of 1997 south of Hancock in a machine shed. At that time the primary focus was signage. Terry's dream was to be self-employed. With the support of his wife Connie the business was created and has grown throughout the past 20+ years.

In 2006, a new office was added to the family home and in 2009 an office space was rented in Morris to accommodate our first employee. In 2010, a building in Morris was purchased and there are now 4 employees working there. Image Xperts currently does signage (of all kinds), billboards, embroidery, screen printing, digital printing, banners, promotional products, and much more. In 2017, an office building was purchased in Benson to allow local staff to better serve that community as well.

Our goal is simply to provide quality products at a fair price to our local region. Customer satisfaction is priority...period. We have learned much over the years AND continue to learn. We appreciate the patience our customers have with us as we try diligently to keep up with the fast pace environment within this industry. On behalf of Image Xperts, Connie and I would like to sincerely say "thank you" to our loyal employees and customers. Without your support we wouldn't exist.

2018 Member Social

Keep an eye out for June's Social event date. You can always host your own! We are always looking for business members to host a Social.
