2019 HORTICULTURE DISPLAY GARDEN EVENT

Dividing Perennials

Perennial plants can provide us years of enjoyment with seemingly minimal maintenance. However, many perennials benefit from being divided to enhance productivity. In this class, we'll discuss the proper times to divide, how to divide, and how to care for your newly divided plants.

We'll specifically look at dividing for: daylily, hosta, mum, monarda, grass species, iris, and other common perennial plants.

Presented by Bernie Angus, and Sue Gooch, Master Gardeners.

* Participants may bring a few divided perennials to swap with others.

Wed, May 15 5:15 - 6:16 pm

Held in the Horticulture Display Garden at the West Central Research and Outreach Center 46352 State Hwy 329, Morris, MN

Admission is free; donations accepted

In the event of inclement weather, class will be held in AgCountry Auditorium the WCROC.

FOR MORE INFORMATION, visit wcroc.cfans.umn.edu or call 320-589-1711.

WE DELIV

Babies, of course! Your health and the health of your growing bundle of joy are important to us at Stevens Community Medical Center. Our Family Medicine providers offering OB services are here from the very beginning of your pregnancy and beyond and we are honored to care for you and your family.

The Family Medicine/O.B. team is made up of Dr. Toby Perkins, Dr. Brent Barnstuble, Dr. Jason Huikko and certified nurse midwife, Paige Hardy. We have two on-staff CRNAs, Randy Lussenden and Eric Larson that are here to assist in the delivery process as well. At Stevens Community Medical Center, we deliver babies, but we also deliver a caring, compassionate experience for our patients.

For appointments with a Family Practice O.B. provider call 320-589-7600.

Summer Employment Opportunities

At the University of Minnesota West Central Research and Outreach Center (WCROC), we provide research-based innovative solutions to farmers, producers and citizens. Our areas of research include agronomy and soil science, dairy, horticulture, renewable energy, and swine. The WCROC is

located 1/2 mile east of the U of M Morris campus.

For the 2019 Summer Season (May/June—August/September), we are looking for dedicated students to join our team:

<u>Agriculture, Environment Sciences, and Maintenance</u>—The position, as is the 'name' of it, is pretty broad. You will be working independently and with others helping with multiple tasks around the farm and at our administration building. It is focused on facility maintenance (painting, fixing, and property maintenance) but we also help out the livestock crew and the plots department

Application Deadline

Applications accepted until positions are filled.

Contact Info Tony Feuchtenberger afeuchte@umn.edu 320-589-1711 ext. 2150
