Dear Dr. Sullivan

School Clubs and Museums Exhibition Competition 2017

I am writing in my capacity as a Museums Development Manager, at the Museums Association of Namibia(MAN), to thank the Future Past Project for the sponsorship given to this year's School Clubs and Museums Exhibition (SCAMX) Competition. The competition took place in Otjiwarongo, from 12th to 15th September 2017. MAN believes that the sponsorship enhances innovation and transformative intellectual development amongst the youth.

I am therefore pleased to announce the following competition results:

Rankings	Schools	Region	Prize
1	Tsau //Khaeb Secondary School	//Kharas	Trip to Cape Town to represent Namibia at the Robben Island Spring School.
2	Delta Secondary School	Khomas	Educational Weekend in Swakopmund.
3	Fridrich Awaseb Secondary School	Otjozondjupa	A weekend gateway filled with activities at the Cheetah Conservation Fund.
4	Leevi Hakusembe Secondary School	Kavango West	A digital camera for the History Department to document history.
5	Matumbo Angelina Ribebe Secondary School	Kavango East	A stationery Hamper for the History Club.
Best Oral History Research	Tsau //Khaeb Secondary School	//Kharas	Book Hamper

SCAMX Competition aims to contribute towards the growing content and heritage development among young Namibians and as a sponsorship institution you are assisting us in achieving this goal. Participants worked hard and enthusiastically and we feel that the competition is an important way of encouraging learners to take an interest in the history of their region and provides an opportunity for them to obtain research and exhibition design skills.

I hope that the Future Past Project will be able and willing to support future efforts of the Museums Association.

Yours sincerely

Mrs. Hilma Kautondokwa
Museum Development Manager
