1978 – 1979 Milton Keynes Development Corporation

Key Skills

I lead The Landscape Practice as a director with over 35 years experience as a landscape architect and a broad range of skills on a variety and range of projects. These include: landscape planning and design, feasibility studies, impact assessments, sensitivity studies and expert witness. Rigorous analysis and an imaginative approach are tempered with a practical resolve to provide high quality, well-reasoned results. We often work within project teams where good communication skills are essential.
