

Kim Gray

Landscape Architect

Curriculum Vitae

Kim Gray has been a partner with SCG Associates since 1998, following an earlier career with the Commonwealth War Graves Commission, supporting operations worldwide. Her practice portfolio spans projects within both the private and public domain.

SCG Associates have developed a reputation for sustainable design with a particular focus on Mediterranean and Middle Eastern environments.

Born and educated in Devon, she is committed to supporting local organisations and institutions. She has been a Trustee for the Fortescue Trust at the Garden House and has been a visiting lecturer at both Plymouth University and Bicton College
