

State Charter School Board

New School Applications Policy

- (1) The State Charter School Board (Board) will receive proposals and applications according to timelines and procedures set forth in the charter school application instructions.
- (2) Applications are considered and moved through the process by vote of the Board.
- (3) When submitting a proposal, applicants organized as a nonprofit legal entity will also make available Articles of Incorporation and Governing Board Bylaws to the Board.
- (4) Applicants approved to move forward in the application process based on a submitted proposal may not make significant changes to the following elements unless given Board approval.
 - a. Location
 - b. Main educational component
 - c. Mission
 - d. Governing board members
 - e. Grades served
 - f. Year school will start
