Safe in India Foundation, in partnership with Aajeevika Bureau, provides free of charge assistance to injured workers in auto-sector supply chain, currently in Gurgaon, in their ESIC healthcare and claims. Safe in India's activities are funded by supporters and donors, mainly from IIM Ahmedabad and IIT Roorkee, concerned about the well-being and productivity of millions of Indian workers. It has no income expectations, commercial partnerships or CSR funding. The co-founders do not charge the Foundation for their time and services.
