Quilt Block Pattern/Design Information

Name of Pattern/Design _____

Please attach a picture or drawing of your chosen pattern/design with the colors preferred. A Barn Quilt Committee member will contact you for details as needed to execute your design. You can find ideas from your family quilts or on-line at these or any number of other sites: ShawanoCountry.com, QuiltTrailsWNC.org or <http://www.quilterscache.com/QuiltBlocksGalore20.html>. A simple design will be easier to 'read' from a distance and generally makes a better barn quilt.

Quilt Pattern Story Why did you choose this pattern/design? What is its significance?

Host Site Information (Where will the barn quilt be installed/displayed?)

Are you planning to have your barn quilt on a tour? yes no What county?

Physical Address _____

Where will the Barn Quilt be displayed on the property? _____

Consider how your barn quilt will be viewed by passers-by and hang it prominently enough to be viewed easily from the nearest roadway, if possible. Keep this in mind when considering the size of the quilt block, as well, and choose the largest size possible for impact. Keep it out of reach of any animals that may be on the property.

No roadside place for a BQ? They can be hung on porches, interior walls, fences, posts or garages. You may want more than one!
