**Trial Court Case Number: 2013-56866**  
**Style: Robert S. Bennett v. Commission for Lawyer Discipline**

Dear Ms. Acevedo,

I am writing on behalf of Robert S. Bennett as a character reference. I am married to his first cousin, David Kvach, and I have known Robert since our first family reunions in the 1980's. The Bennett's are a close knit family, meeting regularly and keeping up with what is going on in each other's lives.

I know Robert (Bob) Bennett to be a good person of great faith, and a man of God. I know him to be a leader in our family and to honor what is right and good. I am sure, like most of us, he has made mistakes; but I have witnessed him going out of his way to make his mistakes right again. Justice is important to him for all people, of all creeds, and faiths.

I have become familiar with the case against him thru the documents, letters, and rulings, posted online at <http://www.ocdc-revealed.com/>. I am no lawyer; I am an architect. Like Bob, I deal with clients and I have been subject to client/architect disagreements. I don't begin to understand the legal language in these documents or exactly why Bob was disbarred. It just does not make any sense to me. I am just thankful that my own Oklahoma Architectural Licensing Board and Professional Review Committee has not begun to pull our professional licenses for cases like this. This seems like a very harsh, unfair, and unjust sanction!

Disbarring Robert Bennett does not serve or protect the people of the Texas. Just the opposite, it makes one less lawyer available to go after the truly bad guys! With over 130 letters in support of Robert, I urge you to throw out this case altogether, and reinstate the professional credentials of Robert Bennett.

Sincerely,  
Jeanie S. Kvach, RA
