

Bill French

International Board of Advisors at SantaAmerica

I've spoken with Mr. Bennett on several occasions concerning matters concerning my law practice and other matters. I am impressed with Mr. Bennett's credentials and had the benefit of seeing his volunteerism in action with the Houston Bar Association for several years running. He took on numerous tasks that benefitted the Bar association greatly which at the same time showed his vast range of expertise outside of the courtroom.

November 28, 2010, Bill was with another company when working with Robert S. at Bennett Licensing for Professionals LLP
