Dear Chief Disciplinary Counsel Linda Acevedo:

With this letter I wish to request that the decision to disbar Mr. Robert Bennett is reverted and all of the credentials for Mr. Bennett to exercise his professional practices and duties as an attorney at law will be reinstated as soon as possible. This case is Commission on Lawyer Discipline v. Bennett, case number 2013-56866, in the 334th Judicial District Court of Harris County, Texas.

I have known Mr. Bennett since about 7 years – he is a fine, thorough and very professional lawyer, very dependable and conscientious and with highest ethical standards. Please help to ensure Mr. Bennett will be able to practice law again as soon as possible.

Sincerely,

*Carla Thomas-B aksh*
