

# 6 ECO TIPS

## SAVE MONEY & THE PLANET

Walk or cycle.  
It saves money and  
improves health.

Turn off that tap.  
Don't just allow the  
water to run.

Think before  
you flush  
the toilet.

If it's not in use.  
Switch off that  
light, computer, TV.

Eat less meat.  
Farmed animals  
account for 27% of  
all co2 emissions.

The joy of fix.  
Don't throw it  
away, repair it.
