mane

The word "mane" is written in a black, rounded, lowercase font. The letter 'e' is replaced by a stylized illustration of a lion's head in profile, facing right. The lion's mane is brown and textured, and the letter 'e' is a solid orange color, positioned as if it were part of the lion's mane.

main

The word "main" is written in a black, rounded, lowercase font. The letter 'i' is replaced by a stylized illustration of a road scene from a top-down perspective. The road is grey with white dashed lines. Several small, colorful cars (red, blue, green, yellow, purple) are scattered on the road. A large orange circle is positioned above the letter 'i', and a blue car is positioned below it, as if the letter 'i' is a road sign or a feature on the road.

sew

The word 'sew' is written in a purple cursive font. The final 'w' stroke is stylized to incorporate a silver needle and thread, with the needle passing through the loops of the 'w'.

sow

An illustration of a hand pouring yellow seeds into a mound of brown soil. The word 'sow' is written in large, bold, black letters, with the 'o' containing the hand and soil illustration.

sew

An illustration of a silver needle and purple thread. The word 'sew' is written in a purple, cursive script, with the needle and thread integrated into the end of the word.
