Important notes for Camp Application 2019

1. Applications will be accepted from 20th February 2019
2. All applications will have equal opportunity to be allocated a space. Where there is an over subscription, a blind ballot will be used to allocate spaces. Thereafter, a waiting list will be created using a blind ballot and any applications will then be allocated a slot where spaces allow
3. All horses attending camp must have an up to date flu vaccination in accordance with BRC rules. Passports will be checked upon arrival so please ensure they are up to date or you will not be allowed to participate. This is vitally important so please do check before applying
4. In addition to the above, no camp application will be accepted without the completed Flu Vaccination declaration, copies of passport identity record and Flu Vaccination record which must be presented along with entry form
5. No application will be accepted without full payment and all cheques will be banked upon acceptance
6. No application will be accepted without a valid, current membership no. This is very important!
7. Only 1 horse per person, per application allowed. Only the camp member may ride the said horse, you cannot allow a 3rd party to take part in any lessons
8. Minimum age of rider 18. Minimum age of horse 4
9. All horses must remain stabled onsite for the duration of camp
10. No horse may be left unattended, there are plenty of people to keep an eye on them if you need to leave site for any reason, please ensure you organise cover prior to leaving site and inform the Stable Manager
11. No horse may be left tied up outside the stable unattended
12. Lessons are made up of groups dependent on level so please ensure that you are accurate with your skill level. Please provide information on current level of activity for you and the horse on the application. This information is essential to ensure you are placed in groups with others at the same level
13. X country is dangerous, please ensure that you are competent and secure prior to selecting these sessions. In the event that your instructor does not deem you secure / competent to ride X country you may be asked to leave the session in which case we will find an alternative session for you to join which may be more suitable. Body protectors and correct skull cups must be worn during XC lessons
14. Stables must be fully cleared out, normally 2 metres from the stable door. Your passport will not be returned to you until your stable has been checked
