

Dear Evangelistic Friend,

I have a friend from another printing ministry that calls and asks the question, "Do you want to serve God today?" He has asked that several times and I always answer, "I thought I was..." since usually that question is accompanied with a request for my help with something. I don't mind, though. It is always my desire to serve God.

If we are serious about following Christ **service to God is a high priority** in our lives. One important area of service is evangelism. I wonder how many lives are lost daily because Christians have not made Christ's command found in the Great Commission a priority in their lives.

(Matthew 28:18)

I believe there are souls that are ready to hear the gospel. They are waiting for a direct contact from someone who is willing to give them the truth.

Our contributor friend down South has made it a regular practice to witness. One day recently Jerry went to a gas station and saw out-of-state travelers servicing their car. He made a point to strike up a conversation with the gentleman who was willing to talk. Jerry asked if he was saved. The man told him that his wife had trusted Christ a couple of weeks before and that they had been talking about that very thing. Jerry asked him if he would like to trust Christ right then and he said, "Yes!" **Jerry had the joy of praying with him** and the gentleman's wife was thrilled!

The seed had been planted, watered, and the Lord gave the increase. Praise the Lord!

Others tell us that they have distributed thousands of tracts down through the years. Our gospel tracts are filled with scripture. Isaiah 55:11 says, "So shall

my word be that goeth forth out of my mouth: it shall not return unto me void, but it shall accomplish that which I please, and it shall prosper in the thing whereto I sent it." I believe that the promise of God is true today. God's Word is powerful and effective.

Now that we have experienced God's provision for the new building **it is time to be focused completely on the mission of reaching the lost.**

We have received a request for Spanish tracts to accompany scripture portions, New Testaments and Bibles in a freight container headed for Honduras. At this time we only have a few thousand **God's Simple Plan of Salvation** tracts in Spanish that we can send.

Currently we estimate that it costs \$30 per thousand for our two-color tracts. We would like to send 100,000 tracts in this container. We need to raise \$3,000 for this particular need in Honduras.

These tracts will be cherished by faithful tract distributors because of the clarity of the message and the beauty of the tracts. It has been my experience that often when tracts or scriptures are given to people in these foreign countries, they stop what they are doing and begin reading the message.

Some years ago I traveled with Dr. Guy Altizer to Honduras for a ministry trip. I had the privilege of giving gospel tracts to pastors at a pastor's conference there. They could use as many tracts as we can produce!

Please join with us in the ministry of printing gospel tracts. Your gift will help us continue the ministry my grandfather Ford Porter prayed for 85 years ago. We want to encircle the world with the gospel, and we have the means to do so as the Lord provides.

Dear Mark,

We are praying that God will use the gospel found in **God's Simple Plan of Salvation** and **Peace** tracts as they are distributed around the world. We are praying for Lifegate. Please use my gift as indicated at the right.
