Dates (from – to)	Position	Name of Practice Setting

II. DIPLOMATE CERTIFICATION REQUIREMENTS

- a. At the time of certification by ABIPP, each physician shall be capable of performing independently a broad scope of the practice of interventional pain management and must:
1. Fulfill the requirements of the continuum of education in interventional pain management as follows:
 Completed an ACGME approved fellowship,
OR
 Practiced interventional pain management (practice involving interventional pain management \geq 50% of time) for 6 years.
 2. Fulfill unrestricted licensure requirements to practice medicine in the United States.
 3. Have a professional standing satisfactory to ABIPP.
 4. Be a diplomate of a primary specialty approved by the ABMS or AOA.
 5. Successfully complete ABIPP Part I – Theoretical Examination (you must first complete Part I successfully to be eligible for Part II)
 6. Successfully complete ABIPP Part II Examination.

A. Basic Requirements

1. Licensure

It is mandatory to list a license to practice medicine that is valid, unrestricted, and current. Please enclose a copy of the primary license. If your license expires prior to examination, please send a copy after renewal. **Any changes in license status must be reported within 30 calendar days of the signed Board Order.**

State	License Number	Date of Original Issue	Expiration Date

2. Education

List in chronological order all undergraduate, medical school, ACGME residency training, and ACGME pain fellowship if applicable. NOTE: You may attach your curriculum vitae but you must also complete this section.

	Name of Institution	Dates	Degree
Undergraduate			
Medical School			
Residency			
Pain Fellowship Or Grandfathered			

a. For candidates without an ACGME pain fellowship program:

A minimum of 300 hours of AMA Category I continuing medical education **in the subspecialty of pain medicine and/or interventional pain management**, 50 hours devoted to cadaver workshops offered by an ABIPP approved workshop.

Total CMEs_____

Cadaver workshop CMEs_____

**** Please attach a fully documented list of CMEs in chronological order.**

3. Primary Board Certification

NOTE: If you are not certified by a member board of the American Board of Medical Specialties (ABMS and AOA), you do not meet the eligibility requirements for board certification, but may be eligible for competency certification. (Click here for application.)

Board(s)	Certification		Recertification		N/A
	Date	Number	Date	Number	

4. Clinical Practice Experience

Successful completion of ACGME approved pain fellowship program of 12 months or longer (list this on page 4) **OR**

Clinical practice of interventional pain management (at least 50% of the time) and/or full time teaching in an ACGME accredited or non-accredited program for a minimum of 6 years.

Total number of years in practice or teaching after residency _____

C. Scope of Practice

Fill out this chart based on a one-year period (latest complete year) that represents your personal interventional pain management practice. A certain number of interventional procedures are expected for you to be eligible for Part II. This must be completed and signed by you.

Provide documentation of 10 IPM cases performed. Please attach documentation, including initial evaluation, procedure notes, follow-up notes, and all other applicable documentation.

V. Declaration and Consent

I, _____, hereby apply for certification offered by ABIPP subject to its rules. I understand that the ABIPP may use information accrued in the certification process for statistical purposes and for evaluation of the certification program. I further understand that ABIPP will treat any patient information I submit confidentially. I understand that ABIPP reserves the right to verify any or all information on this application, and that if I provide any false or misleading information, or otherwise violate the rules governing the ABIPP certification, so doing may constitute grounds for rejection of my application, revocation of my certification, or other disciplinary action.

I understand and agree that in the consideration of my application, the ABIPP may review and assess my moral, ethical, and professional standing (including but not limited to any information regarding any disciplinary action related to the practice of medicine by any state licensing agency or any institution in which I have practiced or have applied to practice medicine).

I attest that I will notify ABIPP immediately should any of the following events occur: 1) change in my license status; 2) any past or future conviction related to the conduct of my practice or for any crime relating to medical practice, health, safety or patient welfare; or 3) being placed on probation by my licensing board or by any court-ordered probation.

I pledge myself to the highest ethical standards in the practice of interventional pain management.

I have used all reasonable diligence in preparing and completing this application. I have reviewed this completed application and, to the best of my knowledge, the information contained herein and in the attached supporting documentation is true, correct, and complete.
