CURLY FRO

1

Big Hair

Curly fros get bigger the longer we wear them.

2

Scalp Protected

No parts, so the scalp is fully protected.

3

Super Cute

Wearing our hair how it naturally grows compliments us.

4

Liberating

Wearing our hair loose allows our strands and scalp to breathe.

5

Show Off Our Texture

No curly head is the same. Wearing a curly fro allows us to show off our unique texture.
