

CURRICULUM VITAE

1. NAME:

MARILDA ANTONIA DE OLIVEIRA SOTOMAYOR

2. EDUCATION

1999 PRIVAT DOZEN in MATH. ECONOMICS, Universidade de São Paulo.

1978/1981 Ph.D in MATHEMATICS, Pontificia Universidade Católica do Rio de Janeiro – PUC/RJ and Institute of Pure and Applied Mathematics - IMPA, (Mathematics).

1970/1972 MASTER DEGREE in Mathematics - Institute of Pure and Applied Mathematics – IMPA.

1964/1967 UNDERGRADUATE (Mathematics) - Universidade Federal do Rio de Janeiro.

3. PROFESSIONAL EXPERIENCE : Teaching and Research:

Since 2015 – Permanent Visiting Professor, Graduate School of Economics, Getulio Vargas Foundation – FGV.

2006/2010 - Distinguished Visiting Professor, Brown University.

1997/2014 - Professor of Mathematical Economics, Univ. of S. Paulo – USP

1989, 1996/1997 - Visiting Researcher, University of Pittsburgh.

1993/1996 - Professor of Mathematical Economics, Institute of Industrial Economics, Federal University of R.J – UFRJ

1992/1993- Associate Professor of Mathematics, State University of R.J – UERJ

1991/1994- Professor of Mathematics, Catholique University of R.J – PUC/RJ

1985/1991 - Associate Professor of Mathematics, Catholique University of R.J – PUC/RJ

1981/1985- Assistant Professor of Mathematics, Catholique University of R.J – PUC/RJ

1969/1981 - Instructor of Mathematics, Catholique University of R.J – PUC/RJ

4. VISITING POSITIONS

Research:

1-Department of Economics, University of Pittsburgh, U.S.A. 03/1985 to 07/1985, 01/1986 to 02/1986, 06/1986 to 07/1986, 06/1987 to 07/1987, 06/1988 to 07/1988, 08/1989 to 12/1989, 08/1991, 08/1992, 08/1996 to 05/1997.

2-Department of Mathematics , Univ. of California at Berkeley, U.S.A. - 01/1983 to 12/1984.

3-Laboratoire d'Econometrie de l'Ecole Polytechnique , France - 01/1985 to 03/1985.

4- Institute des Hautes Etudes Scientifiques, Paris, France -01/1985 to 03/1985 and 01/1990 to 07/1990.

5- Department of Economics, Universidad Autònoma de Barcelona, Spain, 02/1996 and 09/2015.

6- Department of Economics, Brown University, USA, 01/2006 to 07/2006

5. MEMBERSHIP IN PROFESSIONAL SOCIETIES

Brazilian Academy of Sciences

Econometric Society

Game Theory Society

Society for the Advancement of the Economic Theory

Brazilian Society of Mathematics

Brazilian Society of Econometrics

6. PRIZES

2016 – “**TWAS 2016**”, awarded by *The World Academy of Sciences* for the advancement of science in developing countries: “*For her extraordinary contribution and innovative research in the field of matching markets*”.

<http://twas.org/article/winners-2016-twas-prizes-announced>

1991 – **Lanchester Prize 1990 (with medal)** for the book “Two-Sided Matching. A Study in game theoretic modeling and analysis” awarded by the *Operations Research Society of America* .

2001 – **Haralambos Simeonides Prize**, awarded by the *National Association of Graduate Centers of Economics -ANPEC-BRAZIL*.

1956 – **Medal** awarded by the *Ministry of Agriculture of Brazil*.

2013 –**Medal of Honour**, awarded by the *Order of the Economists of Brazil*.

2006- **Henrique Simonsen Prize**, awarded by the *Brasilian Review of Economics*.

1996 –**Adriano Romariz Duarte Prize**, awarded by the *Brasilian Review of Econometrics*.

2014 – **Medal** awarded by the Department of Economics of USP-SP, Brazil: *in*

recognition of the academic work of Marilda Sotomayor, from 1997 to 2014”.

2014- **Medal** awarded by the Graduate School of Economics of Getulio Vargas Foundation in honour of Marilda Sotomayor: *“by her contribution to the Economic Sciences in the developing of the Matching Theory”*.

1953 – Winner of the competition in mathematics among all students of 4th year of the elementary schools of the District of Jacarepagua, RJ, Brazil.

7. ACADEMIC DISTINCTIONS

1993 – Fellow of the **John Simon Guggenheim Foundation**

2003 – Fellow of the **Econometric Society**

2017 – **Fellow of the Game Theory Society**

2015- **Economic Theory Fellow** (awarded by the Society for the Advancement of Economic Theory)

2015- “Special issues on Matching: Theory and Applications, dedicated to Marilda Sotomayor on the occasion of her 70th birthday” – **Journal of Dynamics and Games** .

2015 – Member of the **Brazilian Academy of Sciences**.

2015- Elected *one of the pioneers women of Sciences in Brazil* –**awarded by CNPQ-Brazil** <http://www.cnpq.br/web/guest/pioneiras-da-ciencia-do-brasil6>

2016 – Official letter of congratulations, by the Department of Economics of USP-SP, Brazil, for receiving the “2016 TWAS – prize”.

2010 – **“Roth and Sotomayor. Twenty years after”**, congress at Duke University

celebrating the 20th anniversary of the book: Two-sided Matching: A Study in Game Theoretic Modeling and Analysis .

2015 – President of the Latin American Standing Committee of the **Econometric Society**.

2018- Opening lecture in the series of “USP Lectures” at the University of São Paulo. Title: “Conversations with David Gale, Game theory and Stable Matchings”.

1994/1997 – Council Member of the **Econometric Society**

2003/2009 - Council Member of the **Econometric Society**

2012 /2015 - Council Member of the **Econometric Society**

2005 – Nominating Committee for **councils of the Econometric Society**

2013 – Nominating Committee for **Officers of the Econometric Society**

2014 – Nominating Committee for **Fellows of the Econometric Society**

1998 – Council Member of the **Game Theory Society**

1999 - Charter Member of the **Game Theory Society**

2006 – **Patron of the graduating students of Economic Sciences of the Univ. of São Paulo**, at Ribeirão Preto.

2012 –Semi- Plenary Lecture, **4rth. World Congress of the Game Theory Society**, Stambul, Turkish.

2017- Semi-Plenary Lecture, **International Conference on Game Theory and**

Economic Applications, Stony Brook, USA.

1991 - Plenary Lecture, **International Conference on Game Theory and Economic Applications**, Stony Brook, USA.

2012 - **Opening Lecture**, Brazilian Meeting of ANPEC. Title: “Encounters with David Gale”.

2013- Plaque awarded by the students of the last course, before retirement, ministered by Marilda Sotomayor at the Department of Economics, USP-SP.

2014 – **Opening Lecture**, Department of Economics of ESALQ – São Paulo. Title: “Encounters with David Gale”.

8. EDITORIAL WORK

Associate Editor, **Econometrica**, 1990-1993.

Associate Editor, **International Journal of Game Theory**, 2003-2018.

Invited Editor of the Special Issue in honor of David Gale, for the **International Journal of Game Theory**. – 2006, 2007.

Editor of the session on Game Theory for the encyclopedia: **Complex Systems and Sciences**, Springer – 2006-2008, 2015

9. STUDENTS

Georgy Artemov – Brown University – PhD degree

Débora Menegheto – PUC/RJ – Master degree

Isleide Rosário Maeda – UFRJ - Master degree

Alexandre Kosbiau – USP - Master degree

Arthur d’Ávila – USP - Master degree

Adhemar Vilani Junior – USP - Master degree

Felipe Bardella – USP- Master degree

Gustavo Andrey – USP - Master degree

Marina Gontijo – USP - Master degree

10. SCIENTIFIC PRODUCTION

Articles

1. “Comparative statics in the multiple-partners assignment game”, 2019, *Games and Economic Behavior*, <https://doi.org/10.1016/j.beb.2019.01.004> (with David Perez-Castrillo).
2. “On the manipulability of competitive equilibrium rules in many-to-many buyer-seller markets”, 2017, *International Journal of Game Theory*, 46: 1137-1161. DOI 10.1007/s00182-017-0573-y (with David Perez-Castrillo). ISSN 00207276 <https://link.springer.com/article/10.1007/s00182-017-0573-y>
3. “The outcome of competitive equilibrium rules in buyer-seller markets when the agents play strategically”, 2017, *Economic Theory*, 64, 99-119, <https://doi.org/10.1007/s00199-016-0997-9>, ISSN: 0938-2259 (Print) 1432-0479 (Online) (with David Perez-Castrillo).
4. “Modeling cooperative decision situations: The deviation function form and the equilibrium concept”, 2015, 2016, *International Journal of Game Theory*, vol. 45 (3), 743-768, <https://doi.org/10.1007/s00182-015-0486-6>, ISSN 00207276.
5. “Redesenho e análise do mercado de admissão aos centros de pós-graduação em economia no Brasil à luz da teoria dos jogos: um experimento natural em desenho de mercados”, 2015, *Brazilian Review of Economics*, v. 68, n.4, 425-455, <http://dx.doi.org/10.1590/S0034-71402014000400001>, ISSN 0034-7140, on-line version ISSN 1806-9134 (with Felipe Bardella).
6. “Opening Lecture: Encounters with David Gale”, 2013, *Review ANPEC*, v. 14, p. 01.

1. 7. “A further note on the college admission game”, 2012, *International Journal of Game Theory*, v. 41, p. 179-193. DOI 10.1007/s00182-011-0278-6, ISSN 00207276.
- 2.
3. 8. “The Pareto-stability concept is a natural solution concept for discrete matching markets with indifferences”, 2011, *International Journal of Game Theory* v. 40, p. 631-644, DOI 10.1007/s00182-010-0259-1, ISSN 00207276.
9. “A note on the multiple partners assignment game”, 2010, *Journal of Mathematical Economics*, v. 46, 388-392, <https://doi.org/10.1016/j.jmateco.2009.06.014>, ISSN: 0304-4068 (with Pagebaume, A. and Gale, D.)
10. “Stability property of matchings is a natural solution concept in coalitional market games”, 2010, *International Journal of Game Theory* , v. 39, p. 237-248, DOI 10.1007/s00182-009-0206-1, ISSN 00207276.
11. “Adjusting prices in the multiple-partners assignment game”, 2009, *International Journal of Game Theory*, v. 38, p. 575-600, DOI <https://doi.org/10.1007/s00182-009-0171-8>, ISSN 00207276.
12. “My encounters with David Gale”, 2009, *Games and Economic Behavior*, v. 66, p. 643-646, <https://doi.org/10.1016/j.geb.2009.04.014>, ISSN: 0899-8256.
13. “Two-sided matching models”, 2009, *Encyclopedia of Complexity and Systems Science. New York: Springer, edited by Robert A. Meyers*, v. , p. (with O. Ozak).
14. “The stability of the equilibrium outcomes in the admission games induced by stable matching rules”, 2008, *International Journal of Game Theory*, (Special Issue in honor of David Gale, edit. M. Sotomayor) 36, 621-640, DOI 10.1007/s00182-008-0115-8, ISSN 00207276.
15. Preface of the Special Issue in honor of David Gale, “A collection of papers dedicated

- to David Gale on the occasion of his 85th birthday”, 2008, *International Journal of Game Theory*, 36, 317-319, DOI 10.1007/s00182-008-0114-9, ISSN 00207276

Working papers

1. The time-sharing assignment models lending new insights to the theory of two-sided matching markets.
2. Buying and selling market clearing prices mechanisms with random matching rules.
3. Successful extensions in extended large matching markets.
4. The college admission model with responsive preferences revisited.
5. Reaching the extreme points of the core by Pareto improvements of conflict-free allocations from outside of the core in matching markets.
6. Competition and cooperation in a dynamic version of a two-sided matching market the set of Pareto optimal simple outcomes: a natural solution concept for the one-sided assignment game (with D. Perez-Castrillo).

Books

Two-Sided Matching: A Study in Game Theoretic Modeling and Analysis (with Alvin Roth)- *Econometric Society Monographs*, 18, Cambridge University Press. 1st edition in 1990. 2nd and paper back edition in 1992. (Winner of the Lanchester Prize of 1990).

Chapter of Books

1-Two-Sided Matching, 1992, (with Alvin Roth), published by Elsevier Sciences

Publishers (North-Holland) in the Handbook of Game Theory with Economic Applications *edit. by R. Aumann and Sergiu Hart*.

2. The Multiple Partners Game, 1992, published in the book Dynamics and Equilibrium: Essays in Honor to David Gale, *edit. by M. Majumdar and published by Macmillan* - pp 322-336.

3. Two-Sided Matching, (with Omer Ozak) Encyclopedia of Complexity and Systems Science, section: Game Theory, 2009, *edit. by Robert Meyers, Springer* .

ORGANIZATION OF CONFERENCES

2014 – International Workshop on Game Theory and Economic Applications of the Game Theory Society, celebrating the 70th Birthday of Marilda Sotomayor (São Paulo School of Advanced Sciences on Game Theory and Economic Applications), University of SaoPaulo, Brazil. Main Organizer and Chair of the Program Committee.

2010 - 2nd Brazilian Workshop of the Game Theory Society, in honor of John Nash on the occasion of the 60th anniversary of Nash Equilibrium (São Paulo School of Advanced Sciences on Game Theory), University of SãoPaulo, Brazil. Main Organizer and Chair of the Program Committee.

2007 - GALE'S FEAST, one day of the International Conference on Game Theory at Stony Brook of 2007 in honor of David Gale. Scientific Organizer and Chair of the Program Committee.

2006 - International Conference on Game Theory and Applications to Economics, State University of Stony Brook, USA, Scientific Organizer and Chair of the Program Committee.

2002 - The First Brazilian Workshop of the Game Theory Society, Universidade de São Paulo, Brazil, Main organizer and Chair of the Program Committee.

2008 - Programme committee member of the 3rd World Congress of the Game Theory Society, Northwestern University.

2008 - Programme committee member of the Conference on General Equilibrium and Mathematical Economics, Brown University.

2002 Organizer of the Game Theory sessions of the Latin American Meeting of Econometric Society, Brazil.

2002 Programme committee member of the Latin American Meeting of Econometric Society, São Paulo, Brazil .

2000 Cluster Chair of the International Symposium of Math. Programing - Atlanta, USA.

2000 Programme committee member of the World Congress of the Econometric Society, Seattle, USA.

1997 Programme committee member of the Latin American Meeting of Econometric Society, Santiago, Chile.

1996 Local organizer and programme committee member of the Latin American Meeting of Econometric Society, Rio de Janeiro, Brazil.

1996 Organizer of the Game Theory sessions of the Latin American Meeting of Econometric Society, Rio de Janeiro, Brazil .

1994 and 1995 - Organizer of the Mathematical Economics Colloquium of the Federal University of Rio de Janeiro.

1993 - Organizer of the Matching session of the Latin American Meeting of the Econometric Society, Tucuman, Argentina.

1992 - Organizer of the Matching session of the International Conference on Game Theory, Stony Brook, N.Y., USA.

1990 -Programme committee member of the 6th World Congress of the Econometric Society, Barcelona, Spain.

1985 and 1986 - Organizer of the Mathematics Colloquium of the Catholique University of Rio de Janeiro.
