COMMUNITY EDUCATION

We keep saying that the young people are our future. But how are we inspiring youth to take charge of their own communities and make change happen?

Siloam Mission encourages students to take a tour, hold a fundraiser, organize a donation drive, and advocate for Winnipeg's homeless.

Education Resources

Homelessness as a topic can provide educators and students many opportunities to learn, reflect and take action on an important issue that affects every community. The purpose of these education materials is to raise awareness of homelessness and to inspire individuals, classrooms and schools into action.

Book a School Tour

The best way to learn about homelessness in Winnipeg and what Siloam Mission is doing to help is to come for a guided tour. We'd love to show you around!

Our tour leaders cater each school tour to the age of the students and the size of the group. From start to finish, tours typically run for one hour, including a short orientation session.

2017 GENERAL ASSEMBLY CALENDAR OF RESOLUTIONS **NOW AVAILABLE**

Church of the Nazarene General Secretary David Wilson announced this week that a Calendar of Resolutions from the 2017 General Assembly is now available in English on the General Assembly website, nazarene.org/ga.

Preceding the calendar item on the website is the following information about the process for revisions with the 2017–2021 *Manual of the Church of the Nazarene*:

“According to the General Assembly Rule of Order 16 and *Manual* paragraph 902.4, any changes to the *Manual* – which were approved by actions of the 2017 General Assembly – are to be processed now by the 2017 *Manual* Editing Committee, so amendments to the resolutions will not be posted on this site. When the committee’s work is completed, and when the Board of General Superintendents has declared the 2017–2021 *Manual of the Church of the Nazarene* to be effective, new *Manual* language will then be available.”

This calendar shows the action of the General Assembly on each resolution. To access the calendar [on the website](#), select Resources, choose Resolutions, and then click on a language (for a few weeks, this calendar will be available only in English.). Translation of this calendar and the above informational paragraph about revisions to the *Manual* are in process. When completed, they will be posted to the website under each language group.
